

QUITCLAIM DEED

THIS INDENTURE, made the 10th day of September 1998, between the United States of America, acting by and through the Commanding Officer, Northern Division, Naval Facilities Engineering Command, Lester, Pennsylvania, hereinafter referred to as the GOVERNMENT, and the Community Development Agency, Riverhead, New York, hereinafter referred to as GRANTEE.

200 HOWELL AVENUE

WHEREAS, the GOVERNMENT has determined that certain portions of the facility known as the Naval Weapons Industrial Reserve Plant, Department of Defense Number 466, Calverton, New York (hereinafter "NWIRP") are not needed for a public purpose; and

WHEREAS, United States Public Law 102-484 at Section 2854 as amended by United States Public Law 103-337 at Section 2833 (hereinafter the "Public Law") provides the Secretary of the Navy the authority to convey the NWIRP to the GRANTEE pursuant to certain conditions and limitations contained in the Public Law;

WITNESSETH: That the GOVERNMENT in accordance with the Public Law does, subject to any easements and encumbrances of record and subject to the reservations, exceptions, notices, covenants, conditions and restrictions expressly contained herein, remise, release and quitclaim unto the GRANTEE, its heirs, successors and assigns, to have and to hold forever, except as specifically described below and except as specifically required by Title 42, United States Code at section 9620(h)(3)(A) and as provided herein, without any warranty express or implied, all of the GOVERNMENT's right title and interest which the GOVERNMENT has in and to the premises more fully described below and to the underlying estate, buildings, structures, improvements and personal property situated thereon together with the real property, collectively referred to herein as Tract "1" as follows:

Containing 144.75 ACRES, more or less.

For so long as the GOVERNMENT owns fee title to any or all of Parcels A, B, C and D, the GOVERNMENT expressly reserves all reasonable and appropriate rights of ingress and egress on and across the property described as Tract "1" above to the extent necessary for unencumbered access to Parcels "A, B, C, and D" as described above which rights shall be utilized in a manner which minimizes (1) any damage to any structures on Tract "1" and (2) any disruption or disturbance of the use and enjoyment of Tract "1".

At such time as all or any portion of the Retained Property is transferred to the GRANTEE, such transferred portion shall be deemed to be included within Tract "1" for all purposes hereunder.

GRANT OF EASEMENT

The GOVERNMENT specifically grants to the GRANTEE for itself, its successors and assigns a general perpetual easement for access to and the construction, installation, operation, maintenance, repair, and replacement of utility lines and for access to and the operation, maintenance, repair, and replacement of existing railroad spur lines and related overhead power lines on, in, over and under those portions of Parcels A, B, C and D (the Retained Property) as the GRANTEE determines is necessary for support of operational requirements at and development of Tract "1". No period of non-use of this right shall constitute abandonment of the rights granted herein.

This Easement is subject to the following terms and conditions:

1. All work in connection with the construction, installation, operation, repair and replacement of the utility lines and rail spurs shall be done without cost or expense to the GOVERNMENT and in a manner that will not interfere with the GOVERNMENT'S activities at the Retained Property.
2. The GRANTEE shall maintain the utility lines and rail spurs (for so long as there is a rail spur in place) in good condition at all times and shall make all repairs thereto that may be reasonably necessary for the continued operation and maintenance of the utility lines and rail spurs.

3. The GRANTEE'S rights hereunder shall be subject to such reasonable rules and regulations as may be prescribed by the GOVERNMENT to assure that the exercise of such rights will not interfere with the GOVERNMENT'S activities at the Retained Property.
4. The GOVERNMENT reserves for itself, its successors and assigns the right to connect to GRANTEE'S utilities located on, in, over and under the Retained Property in order to support the GOVERNMENT'S activities at the Retained Property, provided that in no event shall the GOVERNMENT unreasonably interfere with GRANTEE'S rights hereunder nor shall GRANTEE incur any cost or liability for GOVERNMENT making such connection.
5. The GOVERNMENT shall have the right to terminate this Easement in whole or in part to the extent necessary to eliminate the undue interference upon prior reasonable written notice if at any future time the GOVERNMENT reasonably determines that the utility lines and rail spur lines located on, over or under the Retained Property unduly interfere with the GOVERNMENT'S activities at the Retained Property; PROVIDED THAT, unless the GOVERNMENT shall have determined that relocation is not feasible or would not eliminate the undue interference, GOVERNMENT shall permit the GRANTEE a reasonable time to allow for continued utility or rail spur services to be relocated to a location(s) within or without the Retained Property acceptable to GRANTEE at the GRANTEE'S cost and expense.
6. During the life of this Easement, the GOVERNMENT may use the areas encumbered by this Easement for any purpose that does not unreasonably interfere with the GRANTEE'S use and enjoyment of the rights granted by this Easement.
7. This Easement shall be binding upon and shall inure to the benefit of each of the GOVERNMENT and the GRANTEE and each of their respective successors and assigns. The easement granted hereby is not intended, nor shall it be construed, as a dedication of all or any part of the Retained Property for public use, and the GOVERNMENT and the GRANTEE hereby agree to take, or refrain from taking, any action that is necessary to prevent such a dedication.

**NOTICES, COVENANTS, CONDITIONS, RESERVATIONS and
RESTRICTIONS:**

Covenant required by Title 42, United States Code at section 9620(h)(3)(A):

In accordance with the requirements and limitations contained in *Title 42, United States Code at section 9620(h)(3)(A)* the GOVERNMENT hereby warrants to the GRANTEE, its heirs, successors and assigns, that:

- i) all remedial action necessary to protect human health and the environment with respect to any hazardous substance remaining on the property conveyed herein has been taken, and
- ii) any additional remedial action found to be necessary after delivery of this Quitclaim Deed, not the result of actions conducted by future occupants of the property, shall be conducted by the GOVERNMENT.

Reservation of General Utility Easement to the GOVERNMENT

The GOVERNMENT reserves for itself, its successors and assigns a general easement for the construction, installation, operation, maintenance, repair, and replacement of utility lines on, in, over and under those portions of Tract "1" as the GOVERNMENT determines is necessary for support of operational requirements at Parcels A, B, C and D, as well as for any environmental testing or remediation as the GOVERNMENT may need to perform elsewhere on Tract "1". In addition, the GOVERNMENT reserves for itself, its successors and assigns the right to connect to GRANTEE'S utilities located on, in, over and under Tract "1" in order to support the GOVERNMENT'S activities at the Retained Property, provided that in no event shall the GOVERNMENT unreasonably interfere with GRANTEE'S rights hereunder nor shall GRANTEE incur any cost or liability for GOVERNMENT making such connection. No period of non-use of this right shall constitute abandonment of the rights reserved herein. These rights will be terminated in whole or in part by written release at such time as the GOVERNMENT has determined that, in accordance with 42 U.S.C. Section 9620(h)(3)(A)(ii), all remediation action necessary to protect human health and the environment with respect to any hazardous substance remaining on the property has been taken and a Quitclaim Deed with respect to the property in question has been issued to GRANTEE or its successors or assigns.

Reservation of access required by Title 42, United States Code at Section 9620(h)(3)(A):

In accordance with the requirements and limitations contained in *Title 42, United States Code at section 9620(h)(3)(A)(iii)* the GOVERNMENT expressly reserves all reasonable and appropriate rights of access to the property described as Tract "1" above when remedial action or corrective action is found to be necessary after delivery of this Quitclaim Deed. The right of access described herein shall include the right to conduct tests, investigations and surveys, including, where necessary, drilling, test pitting, boring and other similar activities. Such right shall also include the right to construct, operate, maintain or undertake any other response or remedial action as required or necessary including, but not limited to, monitoring wells, pumping wells and treatment facilities. GRANTEE agrees to comply with activities of the GOVERNMENT in furtherance of these covenants and will take no action to interfere with future necessary remedial and investigative actions of the GOVERNMENT. The GOVERNMENT shall provide the GRANTEE reasonable notice prior to any entry made pursuant to this reservation. Any such entry, including the aforementioned activities, responses or remedial actions, shall be coordinated with the GRANTEE or its successors and assigns and with any lessees occupying all or a portion of the property affected thereby, and shall be performed in a manner which minimizes (1) any damage to any structures on the property and (2) any disruption or disturbance of the use and enjoyment of the property.

Notice and Restrictions on Use Pursuant to CERCLA 120(h)(3)(A) :

In accordance with the Comprehensive Environmental Response, Compensation and Recovery Act (CERCLA), Section 120(h)(3)(A), notice is required to be given in any deed that is transferring federal property where hazardous substances were known to have been released, disposed of, or stored for one year or more. The GRANTEE, its heirs, successors and assigns are hereby notified, pursuant to this requirement, that the GOVERNMENT conducted Phase I and Phase II Environmental Baseline Surveys (EBS) and prepared Sections 2.0 and Table 4-1 of the Environmental Baseline Survey for Transfer (EBST) which in combination are incorporated herein by reference to serve notice to the GRANTEE, its heirs, successors and assigns, as to the type of hazardous substances that were stored on Tract "1" and also those substances where releases had occurred but it was determined that no remedial action was required.

GRANTEE, its heirs, successors and assigns shall first obtain the prior consultation and approval of the New York State Department of Environmental Conservation (NYDEC) or its successor agency prior to taking any actions resulting in the disturbance of the floors of either Building 285 or Building 315 due to the presence beneath each building of soils contaminated with petroleum hydrocarbons. Archaeological Covenant:

In consideration of the conveyance of the property that includes the property described as Tract "1" above, located in Suffolk County, State of New York, the GRANTEE hereby covenants on behalf of himself/herself/itself, his/her/its heirs, successors and assigns at all times to the New York State Historic Preservation Officer (NY SHPO) to maintain and preserve the property described as Tract "1" above as follows:

1. No disturbance of the ground surface shall be undertaken or permitted to be undertaken on the property described as Tract "1" above which would affect the physical integrity of the property described as Tract "1" without the express prior written permission of the NY SHPO, signed by a fully authorized representative thereof. Should the NY SHPO require, as a condition of the granting of such permission, that the GRANTEE conduct archeological data recovery operations or other activities designed to mitigate the adverse effect of the proposed activity on the property described as Tract "1" above, the GRANTEE shall at his/her/its own expense conduct such activities in accordance with the Secretary of the Interior's Standards and Guidelines for Archeological Documentation (48 FR 447344-37) and the State of New York's Standards for Cultural Resource Investigations and the Curation of Archaeological Collections in New York State by the New York Archaeological Council (Adopted by the New York State Office of Parks, Recreation and Historic Preservation (copyright 1994).
2. The GRANTEE shall make every reasonable effort to prohibit any person from vandalizing or otherwise disturbing the soil or subsurface material of the property in any manner that is reasonably likely to have an effect on any archaeologically significant or sensitive portion of the property described as Tract "1" above and shall promptly report any such disturbance to the NY SHPO.
3. The GRANTEE will allow the NY SHPO or his/her designee, upon reasonable advance notice to the GRANTEE, an annual inspection of the property described as Tract "1" above in order to ascertain whether the GRANTEE is complying with the conditions of this covenant.
4. In the event of a violation of this covenant, and in addition to any remedy now or hereafter provided by law, the U.S. GOVERNMENT or upon 60 days prior notice to the U.S. GOVERNMENT the NY SHPO may, following reasonable notice to the GRANTEE, institute a suit to enjoin said violation or to require the restoration of the property described as Tract "1" above.
5. The failure of the U.S. GOVERNMENT or the NY SHPO to exercise any right or remedy granted under this covenant shall not have the effect of waiving or limiting the exercise by the U.S. GOVERNMENT or the NY SHPO of any other right or remedy or the use of such right or remedy at any other time.

6. This covenant is binding on GRANTEE, his/her/its heirs, successors and assigns in perpetuity. The restrictions, stipulations, and covenants contained herein shall be inserted by GRANTEE, its successors and assigns, verbatim or by express reference in any deed or other legal instrument by which he/she/it divests himself/herself/itself of either the fee simple title or any other lesser estate in the property described as Tract "1" above, or any part thereof.

7. This covenant shall be binding servitude upon the real property that includes the property described as Tract "1" above and shall be deemed to run with the land. Execution of this covenant shall constitute conclusive evidence the GRANTEE agrees to be bound by the foregoing conditions and restrictions and to perform to obligations herein set forth.

Said parcel having an area of 1.97 acres more or less.

Said parcel also appearing on the Suffolk County Tax Map Atlas as part of Lot 600-35-01-02.

The GRANTEE hereby covenants on behalf of itself, its successors and assigns, to the New York State Historic Preservation Officer (NY SHPO) to preserve and maintain the premises described as Parcel "H" above, in a manner that preserves and maintains the attributes that contribute to the eligibility of the premises described as Parcel "H" above for listing on the National Register of Historic Places. Such attributes include exterior features (including

facades and fenestration, scale, color, materials, and mass), interior features determined significant in consultation with the NY SHPO, and views from, to, and across the property.

1. The premises described as Parcel "H" above will be preserved and maintained in accordance with The Secretary of Interior's Standards for Rehabilitation and Guidelines for Rehabilitating Historic Buildings (National Park Service). No construction, alteration, rehabilitation, remodeling, demolition, disturbance of the ground surface, or other action shall be undertaken or permitted to be undertaken on the premises described as Parcel "H" above that would materially affect the integrity or the appearance of the attributes described above without prior approval of the NY SHPO and a record of such.

2. Upon acquisition of the premises described as Parcel "H" above, the GRANTEE will promptly take all reasonable efforts to secure the premises described as Parcel "H" above from the elements, vandalism, and arson, and will undertake all reasonable efforts to maintain the physical integrity of the premises described as Parcel "H" above in such a manner as to protect the same from deteriorating. The GRANTEE will be responsible for such obligation to the same extent required of the GOVERNMENT at the time of deed transfer. The GRANTEE will make every reasonable effort to retain or reuse, to the extent practicable, the historic structures.

3. In the event that archeological materials are encountered during construction or ground-disturbance activities, work shall cease in the immediate area until the NY SHPO is consulted and provides written permission to recommence work. Should the NY SHPO require, as a condition of the granting of such permission, that the GRANTEE conduct archeological survey data recovery operations or other activities designed to mitigate the potential adverse effect of the proposed activity on the *archeological resources* the GRANTEE shall at his/her/its own expense conduct such activities in accordance with the Secretary of the Interior's Standards and Guidelines for Archeological Documentation (48 FR 447344-37) and the State of New York's Standards for Cultural Resource Investigations and the Curation of Archaeological Collections in New York State by the New York Archaeological Council (Adopted by the New York State Office of Parks, Recreation and Historic Preservation (copyright 1994).

4. The GRANTEE will allow the NY SHPO or his/her designee, upon reasonable advance notice to the GRANTEE, an annual inspection of the premises described as Parcel "H" above in order to ascertain whether the GRANTEE is complying with the conditions of this covenant.

5. The GRANTEE will provide the NY SHPO with a written summary of actions taken to implement the provisions of this preservation covenant within one (1) year after the effective date of the transfer of the premises described as Parcel "H" above.

6. In the event of a violation of this covenant, and in addition to any remedy now or hereafter provided by law, the U.S. GOVERNMENT or upon 60 days prior notice to the U.S. GOVERNMENT the NY SHPO may, following reasonable notice to the GRANTEE,

institute suit to enjoin said violation or to require the restoration of the premises described as Parcel "H" above.

7. The failure of the U.S. GOVERNMENT or the NY SHPO to exercise any right or remedy granted under this covenant shall not have the effect of waiving or limiting the exercise by the U.S. GOVERNMENT or the NY SHPO of any other right or remedy or the use of such right or remedy at any other time.

8. This covenant is binding on the GRANTEE, his/her/its heirs, successors and assigns, in perpetuity. The restrictions, stipulations and covenants contained herein shall be inserted by the GRANTEE, its successors and assigns, verbatim or by express reference in any deed or other legal instrument by which he/she/it divests himself/herself/itself of either the fee simple title or any lesser estate in the premises described as Parcel "H" above, or any part thereof.

Lead-Based Paint and Asbestos Covenant:

The GRANTEE covenants and agrees, on behalf of itself, its successors and assigns, that it will comply with all applicable Federal, state and local laws relating to asbestos and lead-based paint in its use and occupancy of the property (including demolition and disposal of existing structures).

FAA Construction:

The GRANTEE covenants and agrees, on behalf of itself, its successors and assigns that all construction, alterations, or improvements on the property, of whatever type or nature, shall comply with all applicable requirements set forth in *14 CFR Part 77*, entitled "Objects Affecting Navigable Airspace," and issued under the authority of the Federal Aviation Act of 1958, as amended.

Non-Discrimination:

The GRANTEE covenants and agrees, on behalf of itself, its successors and assigns not to discriminate upon the basis of race, age, color, sex, religion, or national origin in the use, occupancy, sale or lease of the property described as Tract "1" above.
