

Attention Riverhead Residents
LOOSE LEAF REMOVAL NOTICE

*The Town of Riverhead Highway Department will be providing a
LOOSE LEAF “ONLY” PICKUP
throughout the town.*

Please have your loose leaves at curbside by 7 a.m. on Monday of the week your area has been scheduled.

Week of Area:

Nov 29th – Laurel Lane to Northville Turnpike

Dec. 6th – Northville Turnpike to Hulse Landing Road

Dec. 13th – Hulse Landing Road to Brookhaven town line

PLEASE WORK WITH US BY ADHERING TO THE FOLLOWING REQUIREMENTS:

- **Please do not rake leaves in a line across front of property, PUT THEM IN ONE PILE.**
- **Put leaves on your property not in the road, THEY CLOG THE DRAINS AND CREATE A DANGEROUS CONDITION especially when wet.**
- **This is a residential pick up only; landscapers are required to take leaves themselves. The Town Highway Department will not pick up leaves put out by landscapers.**
- **We will be making only one pass through each area.**

BAGGED LEAVES

Bagged leaves *ARE PICKED UP EVERY WEEK YEAR ROUND* by your district carter on your Thursday or Friday yard waste/bulk items collection day.

You must bag your leaves until just before your area is scheduled for pickup. We have free biodegradable leaf bags for town residents at the Highway Dept., 1177 Osborn Avenue.

Due to the high cost and lack of disposal areas this will be the last year the Highway Department will be picking up loose leaves.

Let's all work together to clean up our streets & roads this season.

Keeping Riverhead...Beautiful!

George Woodson • Superintendent of Highways
