MECHANICAL MAINTENANCE AND
EMERGENCY SERVICES CONTRACT
H2M PROJECT NO.: RDWD2003

RIVERHEAD WATER DISTRICT
TOWN OF RIVERHEAD
SUFFOLK COUNTY, NEW YORK
BID DATE: DECEMBER 3, 2020

- ◆ *The option to extend the contract an additional year (from January 1, 2022 through December 31, 2022) or two (from January 1, 2023 through December 31, 2023) can be exercised solely at the discretion of the Town Board. Should the Town Board decide to renew the contract for an additional period; written authorization will be provided by the Riverhead Water District prior to January 1 of the additional year.*
- ◆ *The Water District reserves the right to do some of the work with its own personnel, and this contract is only for the additional work it cannot or will not handle.*
- ◆ *The Water District retains the discretion to develop and bid some large-scale projects with an element of the type of work under this contract.*
- ◆ *The basic service charge (Item 1A and 2A) shall be billed for each scheduled or emergency service once per project and shall include labor charges for the first two hours on-site. Scheduled service is defined as all non-emergency work and any days subsequent to the date of an emergency required to complete the work requested. Emergency Service is defined as work requiring a response from the Contractor within three (3) hours of request by District. The service charge will be paid once per project for work requiring less than two (2) man-hours of time on-site, instead of contractor time spent on-site. For work requiring two (2) man-hours or more, the District will pay the applicable service charge **once per project**, plus man-hours in excess of two (2) as per the hourly rates bid above. If additional days are required on-site after time will be paid based upon the appropriate hourly billing rates. Chargeable time for these additional days will be documented on-site time only, no travel or mobilization charges will apply to these additional days. On-site is defined as any property owned and operated by the Riverhead Water District. One (1) service charge shall be billed, regardless of whether contractor visits one site or multiple sites.*
- ◆ *The hourly rates shown shall be for a journeyman mechanic and either an apprentice mechanic or laborer. The service crew shall consist of one (1) journeyman and additional apprentices or laborers necessary to perform the work in a timely fashion. See Section C below.*
- ◆ *Preventative maintenance inspection shall be performed by a journeyman experienced in such work.*

C. Additional Mechanic

Will the Bidder assign a "helper" or apprentice mechanic to jobs? If so, please detail the circumstances. Your answer will be considered as part of your bid.
