## **GENERAL SPECIFICATIONS**

### **GENERAL**

Bidders shall be responsible to carefully examine the Specifications enclosed.

Bidders shall furnish their price and/or lump sum bid as called for on the Bid Proposal Sheet(s) attached. Bids must specify Manufacturer lead times if longer than 30 days.

Alternates of equal or superior design and/or quality shall be listed separately and a Manufacturer's Specification Sheet shall be submitted with a bid. Failure to submit such data may result in the disallowing of said bid.

The equipment and all associated components shall be furnished complete and ready for use. The equipment furnished shall be the Manufacturer's latest listed and published model, or models, which meet all the applicable requirements of these Specifications. These Specifications require the doing of all things necessary or proper for, or incidental to, the furnishing and delivery of said equipment and associated components.

All things not expressly mentioned in these specifications, but involved in carrying out their intent are required by these Specifications; and the vendor shall perform the same as though they were specifically mentioned, described and delineated.

### **DISCOUNTS**

If Bidder allows cash discount, it shall be as follows:

For payment within 15 days of delivery and/or receipt of voucher.

For payment within 30 days of delivery and/or receipt of voucher.

Discount less than 1% will not be considered.

Cash discounts will not be considered in determining low bidders, but will be taken into consideration in awarding tie bids.

### **COMPLIANCE WITH RULES AND REGULATIONS**

The unit and associated equipment furnished shall comply with all provisions which would be applicable, if the Town of Riverhead were a private corporation of Federal and State of New York Laws, Ordinances, Codes, Rules, Regulations, Orders, Permits and Licenses and with fire underwriters requirement, except that where the weight and dimensions requirements set forth herein exceed such provisions, these Specifications shall control.

### **NO-LEAD COMPLIANCE**

In January, 2011, **Senate Bill 3874** was signed into law and created the **Reduction of Lead in Drinking Act**, which amended the Safe Drinking Water Act to reduce the allowable lead content in all products in contact with drinking water from 8.0% to 0.25% (weighted average). Therefore, any brass products must meet the no-lead compliance pursuant to the above.

### **DEVIATION**

Minor deviations from the provisions of these Specifications will be considered to permit manufacturers to follow their standard manufacturing process.

BIDDER NAME:

T. Mina Supply LLC

Such deviations will be approved, however, only in the sole discretion of the Town of Riverhead and only if in its opinion they do not adversely affect the operation, maintenance, strength, efficiency, effectiveness, or life of the unit or any of its parts.

All proposed minor deviations, with full details, must be listed on a separate Detail Sheet, which must be attached to and made part of this bid.

The Town of Riverhead reserves the absolute right and responsibility in its sole discretion to accept or reject any or all bids, or parts thereof, and waive any formality if it believes such action to be in the best interest of the Town.

### **GUARANTEE**

The vendor warrants and guarantees the equipment herein specified, including all associated equipment furnished, against any defects in design, workmanship and materials, and against failure to operate satisfactorily for a period of six months from the date of acceptance of the units, except defects or failure shown by the vendor. The vendor also warrants and guarantees that the equipment herein specified, if found to be defective or in need of repairs, will be picked up from and delivered back to the Town of Riverhead within a reasonable length of time.

### **PRICES**

If a like or lower quantity of a standard item contained in this bid is sold by a vendor at a price less than the prices quoted herein, the price to the Town of Riverhead shall be reduced to that lower price.

### **QUANTITY**

The Town of Riverhead is in no way obligated to purchase quantities neither shown nor limited to said quantities listed.

### **CONTRACT PERIOD**

The contract period shall commence the date a resolution is adopted by the Town Board and shall run for a period of **ONE (1)** year from that date. The contract may be extended in 1 year increments (not to exceed two extensions) for a total three- (3) year contract upon the same terms and conditions at the sole discretion of the Town of Riverhead and with the consent of the vendor(s).

### **RESERVATIONS**

The mention in the specifications of any unit, component, or equipment by brand name and/or model is meant to convey to the potential bidder the type and quality of the product required and desired by the Town. Any unit, component, or equipment which is of equal type and quality may be considered as such and may be acceptable to the Town, upon agreement by the Town Board to that fact. The decision of the Town Board, however, in such a circumstance is final.

Furthermore, the Town Board of the Town of Riverhead reserves the right and responsibility to reject any or all bids if they believe such action to be in the best interest of the Town.

BIDDER NAME: T. Mina Supply LLC

### **QUESTIONS**

Any questions or clarification to the bid specifications must be submitted in writing to the Purchasing Agent at 200 Howell Ave., Riverhead, NY 11901 or by email to: [baldinucci@townofriverheadny.gov](mailto:baldinucci@townofriverheadny.gov) prior to the bid opening. Such questions must be in the possession of the Purchasing Agent at least 72 hours prior to the bid opening. **Verbal questions will not be entertained.**

### **FUEL SURCHARGES**

The Town of Riverhead will not pay any type of fuel surcharge. Any fuel charges added to invoices and/or vouchers will be deleted from any payments to be made to the vendor.

### **DELIVERY**

All pricing is to include delivery; the Town of Riverhead will not pay anything additional for delivery charges.

Delivery is to be made within **30 DAYS** after receipt of an order via purchase order. Lead time must be listed at the time of order on the order acknowledgement. Failure to do so will result in order cancellation and order being processed by the next bidder.

Notification of delivery must be made **24 hours** prior to accommodate receipt of goods or delivery may be refused.

All equipment delivered shall be delivered "**on the ground**" at the delivery point designated on the purchase order. All deliveries are F.O.B. destination.

## IRAN DIVESTMENT ACT CERTIFICATION

As a result of the Iran Divestment Act of 2012 (Act), Chapter 1 of the 2012 Laws of New York, a new provision has been added to the State Finance Law (SFL), § 165-a, effective April 12, 2012. Under the Act, the Commissioner of the Office of General Services (OGS) will be developing a list (prohibited entities list) of "persons" who are engaged in "investment activities in Iran" (both are defined terms in the law). Pursuant to SFL § 165-a(3)(b), the initial list is expected to be issued no later than 120 days after the Act's effective date, at which time it will be posted on the OGS website.

By submitting a bid in response to this solicitation or by assuming the responsibility of a Contract awarded hereunder, Bidder/Contractor (or any assignee) certifies that once the prohibited entities list is posted on the OGS website, it will not utilize on such Contract any subcontractor that is identified on the prohibited entities list.

Additionally, Bidder/Contractor is advised that once the list is posted on the OGS website, any Contractor seeking to renew or extend a Contract or assume the responsibility of a Contract awarded in response to the solicitation, must certify at the time the Contract is renewed, extended or assigned that it is not included on the prohibited entities list.

During the term of the Contract, should the TOWN OF RIVERHEAD receive information that a person is in violation of the above-referenced certification, the TOWN OF RIVERHEAD will offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment which is in violation of the Act within 90 days after the determination of such violation, then the TOWN OF RIVERHEAD shall take such action as may be appropriate including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The TOWN OF RIVERHEAD reserves the right to reject any bid or request for assignment for an entity that appears on the prohibited entities list prior to the award of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the prohibited entities list after contract award.

## **GENERAL SPECIFICATIONS**

### **GENERAL**

Bidders shall be responsible to carefully examine the Specifications enclosed.

Bidders shall furnish their price and/or lump sum bid as called for on the Bid Proposal Sheet(s) attached. Bids must specify Manufacturer lead times if longer than 30 days.

Alternates of equal or superior design and/or quality shall be listed separately and a Manufacturer's Specification Sheet shall be submitted with a bid. Failure to submit such data may result in the disallowing of said bid.

The equipment and all associated components shall be furnished complete and ready for use. The equipment furnished shall be the Manufacturer's latest listed and published model, or models, which meet all the applicable requirements of these Specifications. These Specifications require the doing of all things necessary or proper for, or incidental to, the furnishing and delivery of said equipment and associated components.

All things not expressly mentioned in these specifications, but involved in carrying out their intent are required by these Specifications; and the vendor shall perform the same as though they were specifically mentioned, described and delineated.

### **DISCOUNTS**

If Bidder allows cash discount, it shall be as follows:

For payment within 15 days of delivery and/or receipt of voucher.

For payment within 30 days of delivery and/or receipt of voucher.

Discount less than 1% will not be considered.

Cash discounts will not be considered in determining low bidders, but will be taken into consideration in awarding tie bids.

### **COMPLIANCE WITH RULES AND REGULATIONS**

The unit and associated equipment furnished shall comply with all provisions which would be applicable, if the Town of Riverhead were a private corporation of Federal and State of New York Laws, Ordinances, Codes, Rules, Regulations, Orders, Permits and Licenses and with fire underwriters requirement, except that where the weight and dimensions requirements set forth herein exceed such provisions, these Specifications shall control.

### **NO-LEAD COMPLIANCE**

In January, 2011, **Senate Bill 3874** was signed into law and created the **Reduction of Lead in Drinking Act**, which amended the Safe Drinking Water Act to reduce the allowable lead content in all products in contact with drinking water from 8.0% to 0.25% (weighted average). Therefore, any brass products must meet the no-lead compliance pursuant to the above.

### **DEVIATION**

Minor deviations from the provisions of these Specifications will be considered to permit manufacturers to follow their standard manufacturing process.

BIDDER NAME: Core & Main LP

Such deviations will be approved, however, only in the sole discretion of the Town of Riverhead and only if in its opinion they do not adversely affect the operation, maintenance, strength, efficiency, effectiveness, or life of the unit or any of its parts.

All proposed minor deviations, with full details, must be listed on a separate Detail Sheet, which must be attached to and made part of this bid.

The Town of Riverhead reserves the absolute right and responsibility in its sole discretion to accept or reject any or all bids, or parts thereof, and waive any formality if it believes such action to be in the best interest of the Town.

### **GUARANTEE**

The vendor warrants and guarantees the equipment herein specified, including all associated equipment furnished, against any defects in design, workmanship and materials, and against failure to operate satisfactorily for a period of six months from the date of acceptance of the units, except defects or failure shown by the vendor. The vendor also warrants and guarantees that the equipment herein specified, if found to be defective or in need of repairs, will be picked up from and delivered back to the Town of Riverhead within a reasonable length of time.

### **PRICES**

If a like or lower quantity of a standard item contained in this bid is sold by a vendor at a price less than the prices quoted herein, the price to the Town of Riverhead shall be reduced to that lower price.

### **QUANTITY**

The Town of Riverhead is in no way obligated to purchase quantities neither shown nor limited to said quantities listed.

### **CONTRACT PERIOD**

The contract period shall commence the date a resolution is adopted by the Town Board and shall run for a period of **ONE (1)** year from that date. The contract may be extended in 1 year increments (not to exceed two extensions) for a total three- (3) year contract upon the same terms and conditions at the sole discretion of the Town of Riverhead and with the consent of the vendor(s).

### **RESERVATIONS**

The mention in the specifications of any unit, component, or equipment by brand name and/or model is meant to convey to the potential bidder the type and quality of the product required and desired by the Town. Any unit, component, or equipment which is of equal type and quality may be considered as such and may be acceptable to the Town, upon agreement by the Town Board to that fact. The decision of the Town Board, however, in such a circumstance is final.

Furthermore, the Town Board of the Town of Riverhead reserves the right and responsibility to reject any or all bids if they believe such action to be in the best interest of the Town.

BIDDER NAME: Core & Main LP

### **QUESTIONS**

Any questions or clarification to the bid specifications must be submitted in writing to the Purchasing Agent at 200 Howell Ave., Riverhead, NY 11901 or by email to: [baldinucci@townofriverheadny.gov](mailto:baldinucci@townofriverheadny.gov) prior to the bid opening. Such questions must be in the possession of the Purchasing Agent at least 72 hours prior to the bid opening. **Verbal questions will not be entertained.**

### **FUEL SURCHARGES**

The Town of Riverhead will not pay any type of fuel surcharge. Any fuel charges added to invoices and/or vouchers will be deleted from any payments to be made to the vendor.

### **DELIVERY**

All pricing is to include delivery; the Town of Riverhead will not pay anything additional for delivery charges.

Delivery is to be made within **30 DAYS** after receipt of an order via purchase order. Lead time must be listed at the time of order on the order acknowledgement. Failure to do so will result in order cancellation and order being processed by the next bidder.

Notification of delivery must be made **24 hours** prior to accommodate receipt of goods or delivery may be refused.

All equipment delivered shall be delivered "**on the ground**" at the delivery point designated on the purchase order. All deliveries are F.O.B. destination.

## IRAN DIVESTMENT ACT CERTIFICATION

As a result of the Iran Divestment Act of 2012 (Act), Chapter 1 of the 2012 Laws of New York, a new provision has been added to the State Finance Law (SFL), § 165-a, effective April 12, 2012. Under the Act, the Commissioner of the Office of General Services (OGS) will be developing a list (prohibited entities list) of "persons" who are engaged in "investment activities in Iran" (both are defined terms in the law). Pursuant to SFL § 165-a(3)(b), the initial list is expected to be issued no later than 120 days after the Act's effective date, at which time it will be posted on the OGS website.

By submitting a bid in response to this solicitation or by assuming the responsibility of a Contract awarded hereunder, Bidder/Contractor (or any assignee) certifies that once the prohibited entities list is posted on the OGS website, it will not utilize on such Contract any subcontractor that is identified on the prohibited entities list.

Additionally, Bidder/Contractor is advised that once the list is posted on the OGS website, any Contractor seeking to renew or extend a Contract or assume the responsibility of a Contract awarded in response to the solicitation, must certify at the time the Contract is renewed, extended or assigned that it is not included on the prohibited entities list.

During the term of the Contract, should the TOWN OF RIVERHEAD receive information that a person is in violation of the above-referenced certification, the TOWN OF RIVERHEAD will offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment which is in violation of the Act within 90 days after the determination of such violation, then the TOWN OF RIVERHEAD shall take such action as may be appropriate including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The TOWN OF RIVERHEAD reserves the right to reject any bid or request for assignment for an entity that appears on the prohibited entities list prior to the award of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the prohibited entities list after contract award.

## **GENERAL SPECIFICATIONS**

### **GENERAL**

Bidders shall be responsible to carefully examine the Specifications enclosed.

Bidders shall furnish their price and/or lump sum bid as called for on the Bid Proposal Sheet(s) attached. Bids must specify Manufacturer lead times if longer than 30 days.

Alternates of equal or superior design and/or quality shall be listed separately and a Manufacturer's Specification Sheet shall be submitted with a bid. Failure to submit such data may result in the disallowing of said bid.

The equipment and all associated components shall be furnished complete and ready for use. The equipment furnished shall be the Manufacturer's latest listed and published model, or models, which meet all the applicable requirements of these Specifications. These Specifications require the doing of all things necessary or proper for, or incidental to, the furnishing and delivery of said equipment and associated components.

All things not expressly mentioned in these specifications, but involved in carrying out their intent are required by these Specifications; and the vendor shall perform the same as though they were specifically mentioned, described and delineated.

### **DISCOUNTS**

If Bidder allows cash discount, it shall be as follows:

For payment within 15 days of delivery and/or receipt of voucher.

For payment within 30 days of delivery and/or receipt of voucher.

Discount less than 1% will not be considered.

Cash discounts will not be considered in determining low bidders, but will be taken into consideration in awarding tie bids.

### **COMPLIANCE WITH RULES AND REGULATIONS**

The unit and associated equipment furnished shall comply with all provisions which would be applicable, if the Town of Riverhead were a private corporation of Federal and State of New York Laws, Ordinances, Codes, Rules, Regulations, Orders, Permits and Licenses and with fire underwriters requirement, except that where the weight and dimensions requirements set forth herein exceed such provisions, these Specifications shall control.

### **NO-LEAD COMPLIANCE**

In January, 2011, **Senate Bill 3874** was signed into law and created the **Reduction of Lead in Drinking Act**, which amended the Safe Drinking Water Act to reduce the allowable lead content in all products in contact with drinking water from 8.0% to 0.25% (weighted average). Therefore, any brass products must meet the no-lead compliance pursuant to the above.

### **DEVIATION**

Minor deviations from the provisions of these Specifications will be considered to permit manufacturers to follow their standard manufacturing process.

BIDDER NAME: Ferguson Waterworks

Such deviations will be approved, however, only in the sole discretion of the Town of Riverhead and only if in its opinion they do not adversely affect the operation, maintenance, strength, efficiency, effectiveness, or life of the unit or any of its parts.

All proposed minor deviations, with full details, must be listed on a separate Detail Sheet, which must be attached to and made part of this bid.

The Town of Riverhead reserves the absolute right and responsibility in its sole discretion to accept or reject any or all bids, or parts thereof, and waive any formality if it believes such action to be in the best interest of the Town.

#### **GUARANTEE**

The vendor warrants and guarantees the equipment herein specified, including all associated equipment furnished, against any defects in design, workmanship and materials, and against failure to operate satisfactorily for a period of six months from the date of acceptance of the units, except defects or failure shown by the vendor. The vendor also warrants and guarantees that the equipment herein specified, if found to be defective or in need of repairs, will be picked up from and delivered back to the Town of Riverhead within a reasonable length of time.

#### **PRICES**

If a like or lower quantity of a standard item contained in this bid is sold by a vendor at a price less than the prices quoted herein, the price to the Town of Riverhead shall be reduced to that lower price.

#### **QUANTITY**

The Town of Riverhead is in no way obligated to purchase quantities neither shown nor limited to said quantities listed.

#### **CONTRACT PERIOD**

The contract period shall commence the date a resolution is adopted by the Town Board and shall run for a period of **ONE (1)** year from that date. The contract may be extended in 1 year increments (not to exceed two extensions) for a total three- (3) year contract upon the same terms and conditions at the sole discretion of the Town of Riverhead and with the consent of the vendor(s).

#### **RESERVATIONS**

The mention in the specifications of any unit, component, or equipment by brand name and/or model is meant to convey to the potential bidder the type and quality of the product required and desired by the Town. Any unit, component, or equipment which is of equal type and quality may be considered as such and may be acceptable to the Town, upon agreement by the Town Board to that fact. The decision of the Town Board, however, in such a circumstance is final.

Furthermore, the Town Board of the Town of Riverhead reserves the right and responsibility to reject any or all bids if they believe such action to be in the best interest of the Town.

BIDDER NAME: Ferguson Waterworks

### **QUESTIONS**

Any questions or clarification to the bid specifications must be submitted in writing to the Purchasing Agent at 200 Howell Ave., Riverhead, NY 11901 or by email to: [baldinucci@townofriverheadny.gov](mailto:baldinucci@townofriverheadny.gov) prior to the bid opening. Such questions must be in the possession of the Purchasing Agent at least 72 hours prior to the bid opening. **Verbal questions will not be entertained.**

### **FUEL SURCHARGES**

The Town of Riverhead will not pay any type of fuel surcharge. Any fuel charges added to invoices and/or vouchers will be deleted from any payments to be made to the vendor.

### **DELIVERY**

All pricing is to include delivery; the Town of Riverhead will not pay anything additional for delivery charges.

Delivery is to be made within **30 DAYS** after receipt of an order via purchase order. Lead time must be listed at the time of order on the order acknowledgement. Failure to do so will result in order cancellation and order being processed by the next bidder.

Notification of delivery must be made **24 hours** prior to accommodate receipt of goods or delivery may be refused.

All equipment delivered shall be delivered "**on the ground**" at the delivery point designated on the purchase order. All deliveries are F.O.B. destination.

## IRAN DIVESTMENT ACT CERTIFICATION

As a result of the Iran Divestment Act of 2012 (Act), Chapter 1 of the 2012 Laws of New York, a new provision has been added to the State Finance Law (SFL), § 165-a, effective April 12, 2012. Under the Act, the Commissioner of the Office of General Services (OGS) will be developing a list (prohibited entities list) of "persons" who are engaged in "investment activities in Iran" (both are defined terms in the law). Pursuant to SFL § 165-a(3)(b), the initial list is expected to be issued no later than 120 days after the Act's effective date, at which time it will be posted on the OGS website.

By submitting a bid in response to this solicitation or by assuming the responsibility of a Contract awarded hereunder, Bidder/Contractor (or any assignee) certifies that once the prohibited entities list is posted on the OGS website, it will not utilize on such Contract any subcontractor that is identified on the prohibited entities list.

Additionally, Bidder/Contractor is advised that once the list is posted on the OGS website, any Contractor seeking to renew or extend a Contract or assume the responsibility of a Contract awarded in response to the solicitation, must certify at the time the Contract is renewed, extended or assigned that it is not included on the prohibited entities list.

During the term of the Contract, should the TOWN OF RIVERHEAD receive information that a person is in violation of the above-referenced certification, the TOWN OF RIVERHEAD will offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment which is in violation of the Act within 90 days after the determination of such violation, then the TOWN OF RIVERHEAD shall take such action as may be appropriate including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The TOWN OF RIVERHEAD reserves the right to reject any bid or request for assignment for an entity that appears on the prohibited entities list prior to the award of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the prohibited entities list after contract award.
