**Re: Bid Recommendation**  
**CLEAN AND TELEVISION SEWER TRIBUTARY TO THE CRANBERRY PUMP STATION**  
**H2M Project No.: RDSD2204**

Dear Mr. Reichel:

H2M architects + engineers have evaluated the 3 bids received for the Town of Riverhead/Riverhead Sewer District (District) to clean and televise sewers tributary to the Cranberry Pump Station located within the Riverhead Sewer District.

The base bid scope of work includes cleaning and televising sewers tributary to the Cranberry Pump Station, which includes 21,200 LF of 8-inch Sanitary Sewer, 815 LF of 10-inch Sanitary Sewer, and 2,100 LF of 12-inch Sanitary Sewer.

The apparent low bidder is **National Water Main Cleaning Company** of Kearny, New Jersey, with a base bid of \$112,020.75. Additionally, the bid included alternatives for cleaning and televising additional 8-inch, 10-inch, and 12-inch sanitary sewers at \$4.45/LF, \$4.45/LF, and \$6.65/LF, respectively.

H2M has conducted a detailed bid analysis to assist Riverhead Sewer District in awarding this contract, as part of this process, we have thoroughly reviewed their bid documents, including qualifications, insurance requirements, and have checked the references provided.

In conclusion, based upon our analysis and review of the contractor's qualifications, we feel that National Water Main Cleaning Company of Kearny, New Jersey, has met all the requirements outlined for bidding and is, therefore, qualified to perform the work and offer the following recommendation:

Award Contract No. RDSD2204 to is **National Water Main Cleaning Company** of Kearny, New Jersey, for the base bid in the amount of **\$112,020.75**.

A copy of the bid tabulation sheets is enclosed for your records. Should you have any questions concerning this cost opinion, please call me at (631) 756-8000 extension 1012.

Very truly yours,  
H2M architects + engineers

Christopher A. Weiss, P.E.  
Sr. Vice President– Director Wastewater Engineering
