IV. General Bid Specifications

Bid Form

Each bid shall be submitted on the required Bid Sheet; Exceptions to Specifications, Bidder Qualifications, Non-Collusive Bidding Certificate and Iran Divestment Act Certification must be submitted with each bid and must be signed by the same individual entering the bid. All bids or bidders not adhering to any of the requirements herein may be rejected.

Inspection: The Town reserves the right and shall be at liberty to inspect the chassis and all equipment and shall have the right to reject the chassis, equipment, all materials and workmanship which do not conform to the specification provided; however, the Town is under no duty to make such inspection. If the inspection indicates that repairs are necessary for the intended use of the chassis by the town, the bidder may be offered the option to perform the repairs at the bidder's expense prior to the purchase of the chassis by the Town. The Town's judgment of required repairs is not subject to negotiation or challenge.

Prior to delivery, the chassis and equipment shall be completely serviced as necessary to assure proper operation and function.

All parts or attachments not specifically mentioned but necessary to complete the chassis must be furnished and must conform to the highest standards of quality of material and workmanship provided in good engineering practice and intended in these specifications. The chassis will be judged on stability and safety, ability to carry out Town's present operations, ease of operation and maintenance, price and delivery date. These specifications shall be considered minimum unless otherwise stated. All variations from the stated specification must be clearly noted on the Bid Proposal.

Final inspection and acceptance of the chassis and equipment for conformity with the specifications shall be made by the Town Highway Superintendent or such designated representative of said Town Highway Department.

Delivery: The delivery date or term within which the proposed item(s) will be delivered shall be stated in the space provided under Delivery Information. Failure by the successful seller to notify the Town of Riverhead immediately of any delivery beyond the stated date or terms is cause for him to be held responsible for damages incurred as a result of an extended delivery time.

All equipment/material, spare parts and supplies shall be delivered F.O.B. destination, delivery charges prepaid and added, to the following location, unless otherwise indicated on the Bid Sheet labeled "V. Bid Sheet".

Material and Equipment Specified by Name: Whenever any material or equipment is specified by patent or proprietary name or by the name of the manufacturer, unless stated differently, such specification shall be considered as if followed by the words "or acceptable equal", whether or not such words appear. The seller may offer material or

VENDOR NAME _____

equipment with equal or better qualities and performance in substitution for those specified which he considers would be in the Town's interest to accept. No verbal offers for substitution will be acknowledged or considered from sellers, distributors, manufacturers or subcontractors. Any such offers shall be made in writing to the Highway Superintendent for his consideration with the submission of the proposal and the seller shall include sufficient data which, together with any other data the Town may require, will enable the Town to assess the acceptability of the material or equipment. Such acceptance by the Town shall not relieve the seller from full responsibility from the efficiency and quality and performance of the substitute material or equipment, in the same manner and degree as the material and equipment specified by name.

It should be understood that specifying a brand name, components and/or equipment in these specifications shall not relieve the seller from full responsibility to produce the products in accordance with the performance warranty and contractual requirements. The seller is responsible for notifying the Town of any inappropriate brand name, component and/or equipment that may be called for in the specifications, and to propose a suitable substitute for consideration.

Bid Postponement and Amendment: The Town of Riverhead reserves the right to revise or amend the specifications up to the time set for opening the bids. Such revisions and amendments, if any, shall be announced by amendments to this solicitation. Copies of such amendments shall be furnished to all prospective sellers. Prospective sellers are defined as those sellers listed on the Town's bids list for this material, or who have obtained bid documents subsequent to the bid advertisement. If the revisions and amendments require changes in quantities or prices proposed, or both, the date set for opening bids may be postponed by such number of days as in the opinion of the Town shall enable sellers to revise their bids. In any case, the bid opening shall be at least two (2) working days after the last amendment, and the amendment shall include an announcement of the new date, if applicable, for the opening of bids.

Single Bid Response: If only one bid is received in response to the invitation for bids, a detailed cost proposal may be requested of the single Seller. A cost/price analysis and evaluation and/or audit may be performed of the cost proposal in order to determine if the price is fair and reasonable.

Bid Withdrawal: After the bids are opened, bids may not be withdrawn for forty-five (45) calendar days. Prior to the date/time set for the bid opening, however, bids may be modified or withdrawn by the Seller's authorized representative in person, or by written telegraphic notice. If bids are modified or withdrawn in person, the authorized representative shall make his identity known and shall sign a receipt for the bid.

Award: The Town of Riverhead reserves the right to accept bids, award bids and/or not award bids based on one chassis or more than one chassis or award separate (more than one) bids based upon the type of chassis set forth in the specifications; to reject any and all bids, to waive any informality in the bids, and to accept the bid that appears from all consideration to be for the best interest of the Town of Riverhead.

VENDOR NAME _____

In determining and evaluating the best bid, the prices will not necessarily be controlling, but quality, equality, efficiency, utility, general terms, delivery, suitability of the equipment/material offered, and the reputation of the equipment/material in general use will also be considered with any other relevant factors. The Highway Superintendent and/or the Purchasing Agent shall be the judges in the determination of these matters.

Notice of bid award, if bid be awarded, will be made within forty-five (45) days of opening of bids to the lowest responsive and responsible seller, whose bid proposal complies with all the requirements in the bid specifications.

Title: Title to the truck chassis and all equipment shall pass to the Town at the F.O.B. point designated under Delivery, subject to the right of the Town to reject upon inspection.

Acceptance and Payment: Acceptance shall be made at the time all equipment/material is operational and in proper working order as determined by and to the satisfaction of the Town of Riverhead. Acceptance of the equipment/material shall be determined on the basis of technical completeness, performance and adherence to the operational requirements and functions of the specifications.

Payment will be scheduled within thirty (30) days upon complete delivery and acceptance of all material/equipment and receipt of an original and one (1) copy of an invoice complying with the terms and conditions of the award. The Town reserves the right to withhold up to ten percent (10%) of the purchase price in the event there is a conditional acceptance. Non-compliance with any one of the following requirements shall constitute a conditional acceptance:

- a) Adherence to the general construction and performance specifications.
- b) Reasonable opportunity for chassis and equipment/material inspection by Water District Superintendent and/or Town Purchasing Agent.
- c) Receipt of manuals (if applicable).

Guarantee: All vehicles, equipment and materials including all parts and assemblies, if applicable, shall be guaranteed against defects in material and workmanship for a period of at least one (1) year after acceptance. Guarantee shall commence at the time of official acceptance by the Town. Where it is required to repair, replace, resurface, replant or to modify, alter, add or remove hardware, parts, components, or related accessories for the purpose of insuring proper appearance, performance or operation, such operations shall be done as required until such time as acceptable performance has been established.

Note: Seller shall be responsible for any costs related to repairs necessary to pass New York State Inspection.

Problems which occur shall be corrected in an appropriate fashion under guarantee. Seller shall be responsible to attend to and remedy such items within a reasonable amount of time. Appropriate logs and schedules shall be maintained to reflect these items and their redress.

VENDOR NAME OTIS FORD INC**IRAN DIVESTMENT ACT CERTIFICATION**

As a result of the Iran Divestment Act of 2012 (Act), Chapter 1 of the 2012 Laws of New York, a new provision has been added to the State Finance Law (SFL), § 165-a, effective April 12, 2012. Under the Act, the Commissioner of the Office of General Services (OGS) will be developing a list (prohibited entities list) of "persons" who are engaged in "investment activities in Iran" (both are defined terms in the law). Pursuant to SFL § 165-a(3)(b), the initial list is expected to be issued no later than 120 days after the Act's effective date, at which time it will be posted on the OGS website.

By submitting a bid in response to this solicitation or by assuming the responsibility of a Contract awarded hereunder, Bidder/Contractor (or any assignee) certifies that once the prohibited entities list is posted on the OGS website, it will not utilize on such Contract any subcontractor that is identified on the prohibited entities list.

Additionally, Bidder/Contractor is advised that once the list is posted on the OGS website, any Contractor seeking to renew or extend a Contract or assume the responsibility of a Contract awarded in response to the solicitation, must certify at the time the Contract is renewed, extended or assigned that it is not included on the prohibited entities list.

During the term of the Contract, should the TOWN OF RIVERHEAD receive information that a person is in violation of the above-referenced certification, the TOWN OF RIVERHEAD will offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment which is in violation of the Act within 90 days after the determination of such violation, then the TOWN OF RIVERHEAD shall take such action as may be appropriate including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The TOWN OF RIVERHEAD reserves the right to reject any bid or request for assignment for an entity that appears on the prohibited entities list prior to the award of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the prohibited entities list after contract award.
