## **A. PROGRAM DESCRIPTION AND SERVICES**

Title VI of the Civil Rights Act of 1964 prohibits discrimination on the basis of race, color, or national origin in programs and activities receiving Federal financial assistance. Specifically, Title VI provides that "no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance."

Subrecipients of public transportation funding from the Federal Transit Administration (FTA), are required to develop policies, programs, and practices that ensure that federal and state transit dollars are used in a manner that is nondiscriminatory. Town of Riverhead is a subrecipient of FTA financial assistance through a grant from NYSDOT. This Title VI plan details how Town of Riverhead incorporates nondiscrimination policies and practices in providing transit services to the ridership we serve.

Town of Riverhead provides open-door transportation for Town of Riverhead Seniors throughout the Town. Service is operated to and from day programs as well as for activity trips. In addition, the Senior Center provides transportation to Seniors for medical, social, and recreational trips.

## **B. TOWN OF RIVERHEAD TITLE VI PLAN**

As a subrecipient to NYSDOT receiving Federal Transit Administration Section 5310 funds, Town of Riverhead Title VI plan shall comply with Title VI of the Civil Rights Act of 1964 as presented with the following elements:

- ✓ Title VI Notice to the Public, including a list of locations where the notice is posted
- ✓ Title VI Complaint Procedures (i.e., instructions to the public regarding how to file a Title VI discrimination complaint)
- ✓ Title VI Complaint Form
- ✓ List of transit-related Title VI investigations, complaints, and lawsuits
- ✓ Public Participation Plan, including information about outreach methods to engage minority and limited English proficient populations, as well as a summary of outreach efforts made since the last Title VI Program submission
- ✓ Language Assistance Plan for providing language assistance to persons with limited English proficiency
- ✓ A table depicting the membership of transit related non-elected committees and councils, the membership of which is selected by the subrecipient, broken down by race, and a description of the process the agency uses to encourage the participation of minorities on such committees
- ✓ A copy of board meeting minutes, resolution, or other appropriate documentation showing the board of directors or appropriate governing entity or official(s) responsible for policy decisions reviewed and approved the Title VI Program. The approval must occur prior to submission to NYSDOT. (Board approval is not required if the subrecipient does not have a Board.)

The Town of Riverhead shall update its Title VI plan every three years and present the updated plan to NYSDOT for their review and approval.

## **B1. Town of Riverhead TITLE VI Policy**

The Town of Riverhead commits to comply with Title VI of the Civil Rights Act of 1964 that prohibits discrimination based on race, color, or national origin in programs and activities receiving federal financial assistance. Specifically, Title VI provides that "no person in the United States shall on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance" (Title VI of the Civil Rights Act of 1964, 42 U.S.C. § 2000d et seq.). This requirement is included in the Section 5310 agreement between Town of Riverhead and NYSDOT and third-party contractors.

The complaint form is not required to file a complaint. The complainant may submit any written report as a complaint notice. Town of Riverhead will make reasonable modifications and take information verbally if the complainant requires this accommodation.

The Town of Riverhead investigates complaints received no more than 180 days after the alleged incident. Once the complaint is received, the Town of Riverhead will follow the steps below:

1. Acknowledge receipt of the complaint within 10 days (*Appendix C*)
2. Determine if the Town of Riverhead has jurisdiction to investigate the complaint.
3. Plan to complete the investigation within 45 days.
4. Schedule an interview, if deemed necessary.
5. Determine if other public or private entities are or should be involved.
6. Determine if additional information is needed. Complainant has 15 days to provide the additional information.
7. If the Town of Riverhead is not contacted by the complainant or does not receive the additional information within 15 days, the case can be administratively closed. Additionally, a case can be administratively closed if the complainant no longer wishes to pursue the case.
8. Determine if meetings with the affected party or other interested parties are needed.

After the investigative process has been completed, the Town of Riverhead will issue one of two letters to the complainant: a closure letter or a letter of finding (LOF).

1. A **closure letter** summarizing the allegations and stating that there was no Title VI violation and that the case will be closed. (*Appendix D*)
2. A **letter of finding (LOF)** summarizing the allegations and the interviews regarding the alleged incident, and explaining whether any disciplinary action, additional training of the staff member, or other action will occur. (*Appendix E*)

If the complainant wishes to appeal the decision, the complainant must submit the appeal within 21 days after the date of the closure letter or the LOF.

Filing complaints with Town of Riverhead enables the agency to properly investigate the complaint. A person may also file a complaint directly with:

## B5. Public Involvement Process

### ***Strategies and Desired Outcomes***

Town of Riverhead is required to develop and implement a Public Participation Plan (PPP). This document describes the proactive strategies, procedures, and desired outcomes that underpin our organization's public participation activities. The determination of how specific public participation activities should take place, and which specific measures are most appropriate is based on the following:

- A demographic analysis of the persons Town of Riverhead serves and/or are eligible to receive services.
- The type of transportation program and/or service Town of Riverhead provides.
- The resources available to Town of Riverhead for public outreach.

Effective public involvement is a key element to involving the public in Town of Riverhead's transit service decision making process. This Public Involvement Process describes how Town of Riverhead will disseminate vital agency information and engage the public in the decision-making process. We will seek out and consider the input and needs of interested parties and groups traditionally underserved by transportation systems who may face challenges accessing our services, such as minority and limited English proficient (LEP) persons. Underlying these efforts is our commitment to determining the most effective public involvement methods for a given project or population.

### ***Public Outreach Activities***

In efforts to involve minority and limited English proficient (LEP) populations in the planning process and to address linguistic, institutional, cultural, economic, historical, or other barriers that may prevent minority and LEP persons from effectively participating in Town of Riverhead's decision-making process, Town of Riverhead implements early, frequent and continuous engagement for public involvement. The engagement methods includes and are not limited to:

1. Post public involvement notifications on transit vehicles, Town of Riverhead building, and on the Town of Riverhead website.
2. Public meetings will be conducted at times, locations, and facilities that are convenient and accessible.
3. Meeting materials will be available in a variety of predetermined formats and language(s) to serve diverse audiences.
4. Provide professional interpreters in the language(s) spoken by the targeted LEP population(s).

### ***Summary on Public Involvement Activity***

Town of Riverhead conducted the following public involvement outreach (emails, website posting, media outlets, in-person, virtual) sessions:

## B6. Language Assistance Plan

### ***Language Assistance Plan Components***

Limited English Proficient (LEP) persons are people for whom English is not the primary language and who have a limited ability to read, write, speak, or understand English. To comply with the FTA Title VI requirement on nondiscrimination based on national origin, as it affects limited English proficient persons, Town of Riverhead will take reasonable steps to ensure meaningful access to our programs and activities by LEP persons.

In order to ensure meaningful access to Town of Riverhead programs and activities, we shall use the information obtained in the Four Factor Analysis to determine the specific language services that are appropriate to provide to access the transit services. A careful analysis of the residents and potential residents we serve will determine if we communicate effectively with LEP persons and the language spoken other than English. The Four Factor Analysis is an individualized assessment that balances the following four factors.

1. A number or proportion of the LEP population(s), specifically served or could be served by Town of Riverhead transit service.
2. The frequency with which LEP persons come into contact with Town of Riverhead.
3. The nature and importance of Town of Riverhead transit services to LEP population(s).
4. The resources available for LEP outreach and how employees are trained to provide language assistance to LEP persons.

### ***LEP Four Factor Analysis***

To determine if an LEP population requires language assistance and what specific language services are appropriate, the Town of Riverhead has conducted a Four Factor Analysis<sup>1</sup> of the following areas: (1) Demography, (2) Frequency, (3) Importance, and (4) Resources and costs.

**Factor 1—Importance |** A number or proportion of the LEP population(s), specifically served or could be served by Town of Riverhead transit service.

The Town of Riverhead relied on prior experiences with LEP individuals and determined the breadth and scope of language services that were requested on the transit services. During a 1-month period, the Town of Riverhead tracked the number of calls to the office in which language assistance was requested, tracked the number of times the transit operators were asked to provide language assistance and by the specific language, tracked the number of times minor children and dependents were asked by their parent or guardian to interpret the transit service information. In addition, the Town of Riverhead consulted with the school district, community agencies and religious organizations where transit services are provided to ask what language assistance they encounter for their services that could possibly be identified as the language assistance for the transit ridership.

---

<sup>1</sup> DOT LEP guidance <https://www.transportation.gov/civil-rights/civil-rights-awareness-enforcement/dots-lep-guidance>

Factor 1 results: The transit specific language assistance survey indicates the ridership primarily speaks English. No other language rose to the level of having a limited English proficient population that uses the transit services.

**Factor 2: Frequency |** Frequency with which LEP people come into contact with Town of Riverhead

The number or proportion of the LEP population(s), specifically served or could be served by Town of Riverhead transit service, is estimated to be 25% of the transit service population speak English less than very well based upon the 1-month period of tracking stated above. Town of Riverhead will conduct additional assessments at least annually or if a known spike occurs that requires a re-evaluation of the LEP population.

**Factor 3: Importance |** Importance of Town of Riverhead transit services to LEP population

The Town of Riverhead's program and services are critical to the lives of its residents, enabling them to participate as fully as possible in the community, interact and socialize with others, gain skills in daily living and travel to/from work.

**Factor 4: Resources and Costs |** To meet the language assistance needs of the Town of Riverhead LEP population, Town of Riverhead will utilize readily available resources, in addition to other avenues, to not only minimize costs, but to strengthen our partnership with other organizations our residents/riders engage with. Some of those readily available resources include bilingual staff; the inclusion of Google translate toolbar to our website; and the Town utilizes the services of, Language Line Solutions which provides a variety of LEP services to the Town, upon request and free to LEP persons who wish to access the Town' services, programs or activities. Such services include telephone interpretation assistance as well as document translation.

***Providing Language Assistance Services***

Town of Riverhead currently meets the language assistance needs of the **Spanish**-speaking population through the services of an interpreter, including Google translate on our website, and Language Line Solutions, that meet the needs of **Spanish**-speaking population, and our Spanish staff. As needed, key documents are translated to the **Spanish**, meeting the threshold for translation of such materials.

***Informing LEP Populations of the Availability of Language Assistance***

Language assistance is advertised on our website, on the Title VI notice, through posters in our agency, and through program registration materials, as applicable. Town of Riverhead also utilizes community-based organizations to share the availability of these services, public meetings and outreach documents.

Town of Riverhead annually identifies the language capabilities and language assistance needs of our ridership. Should Town of Riverhead have more than 5% of persons in a specific language group that requires language assistance, Town of Riverhead shall comply with the US Department of Justice Safe Harbor Provision and provide written material in the specific language and or oral interpretation of the written material, free of cost.

***Updating the Language Assistance Plan***

The Town of Riverhead will monitor the effectiveness of the language assistance to determine if enhancements on the methods (translating vital documents, interpretations and website) is required to better communicate with the LEP population. As a part of this process, the Town of Riverhead will incorporate components that encourages feedback from customers on their experience with the implementation of the Language Assistance Plan. Based on the input

received, Town of Riverhead will make any immediate critical updates that can be feasibly implemented and document others for the triennial update of the Title VI Plan. Consequently, if there are updates to the Language Assistance Plan within the Human Service – Public Transportation Coordination Plan, Town of Riverhead will review such updates and identify those with impact on components germane to its own Language Assistance Plan. Critical updates that can be feasibly implemented, will be immediately incorporated.

### ***Training Employees to Provide Language Assistance***

Town of Riverhead employees are oriented on the principles of Title VI and language assistance. New employees will be provided guidance on the needs of residents served and how best to meet their language needs. Refresher training will be completed with the triennial Title VI Plan update. Reminders on the importance of Title VI and the Language Assistance Plan will be distributed through email. Training will include review of the following Title VI program components:

1. Title VI Notice to the Public
2. Title VI complaint procedures and form
3. Complaint log
4. LEP (Four Factor Analysis and Language Assistance Plan)

If an employee needs further assistance related to LEP individuals, they will work with the Town of Riverhead's Title VI Coordinator to identify strategies to meet the language needs of the participants of the program or service.

## **B7. Minority Representation on Advisory Boards**

The only non-elected transit committee or council of Town of Riverhead is the Alternative Transportation and East End Transportation Council. The representation of membership by racial breakdown is shown in the table below.

### ***Racial Composition of Membership of Board, Committees, Councils***

Body	Caucasian	Hispanic	African American	Asian American	Native American	Two or More Races
Alternative Transportation and East End Transportation Council	100%	%	%	%	%	%

### ***Efforts to Encourage Minority Representation on Boards and Committees***

The Town of Riverhead understands diverse representation on committees, councils and boards results in sound policy reflective of its entire service area. As such, the Town of Riverhead encourages participation of all its residents and interested parties on boards, committees or councils.

As vacancies on boards, committees, and councils become available, the Town of Riverhead will make efforts to encourage and promote diversity with active participation of residents, community organizations and interested parties. Town of Riverhead contacts advocates of the minority community, such as organizations that serve minority communities and leaders to garner interest in participating onboards, committees or councils.

## B8. Recordkeeping and Reporting

Town of Riverhead maintains records related to the agency's implementation of Title VI program, including records of the Title VI Plan Board adoption, records of Title VI staff training, public involvement activities, complaints, investigations, language assistance services and other implementation activities.

Town of Riverhead shall update the Title VI Plan, every three years and submit the plan to the New York State Department of Transportation (NYSDOT) for approval.

## B9. Plan and Policy Review

The Title VI policy will be disseminated to employees through new employee orientation and periodic email messages. The Town of Riverhead will review its Title VI Plan at least once every three years to determine if modifications are necessary. The Town of Riverhead directly operates services and will review implementation annually to ensure compliance with Title VI Plan requirements. The agency's review includes verifying that all employees have received ongoing updates and a copy of the Title VI policies and that all postings are in place and in good condition.

### ***Title VI Plan Monitoring – Activity Log***

Date	Activity (Review-Update- Addendum- Adoption- Distribution)	Person Responsible	Remarks
July __, 2025	Adopted and distributed	Danielle, Hurley, Title VI Coordinator	Verified intake materials, postings. Verified all employees received copies of Title VI policy.

### ***Program Monitoring***

The Town of Riverhead will monitor the effectiveness of the Title VI program through the feedback from residents, employees, general public and other agencies (NYSDOT, FTA). Town of Riverhead seeks opportunities to continuously improve its Title VI plan, public participation outreach efforts and providing meaningful access of our services to LEP individuals.

## B10. Facility Location Equity Analysis

As a subrecipient of federal funds, Town of Riverhead understands we are required to conduct a Title VI equity analysis when planning to construct, expand, or purchase a facility. A facility includes storage facilities, maintenance facilities, and operations centers, but it does not include bus shelters, transit stations, or power substations. The equity analysis requirement applies even to facilities that do not receive direct federal funding (as long as Town of Riverhead receives federal financial assistance, Title VI requirements apply to all programs and activities). The equity analysis compares the equity impacts of various siting alternatives and must occur during the planning phase, prior to the selection of the preferred site, and must include the following:

1. A description of the outreach to persons potentially impacted.
2. A comparison of equity impacts of various siting alternatives.

3. An analysis about whether a disparate impact occurs on the basis of race, color or national origin (including potential cumulative adverse impacts from other facilities with similar impacts in the area) because of the location and construction of a facility. (If there is a disparate impact, the construction of the facility may only occur if there is a substantial legitimate justification, there are no alternative locations that would have a less disparate impact, and it is not a pretext for discrimination).

For any new facility construction, expansion, or acquisition, Town of Riverhead will work with NYSDOT to ensure that the equity analysis is completed and submitted to NYSDOT. The equity analysis will be provided upon request to NYSDOT, FTA and during the triennial review.

The below is intended to provide direction to the reader as to whether Town of Riverhead was required to, completed, and included a Title VI equity analysis with this Title VI Plan update.

Did Town of Riverhead construct, expand or acquired a facility in the past three years?

**No.** Town of Riverhead has not constructed, expanded or acquired a facility.

**Yes.** Town of Riverhead did acquire a facility and completed a Title VI equity analysis to compare the equity impacts of various siting alternatives.

Does Town of Riverhead plan to construct, expand or acquire a facility in the next three years?  
*(check the box next to the appropriate response below)*

**No.** Town of Riverhead does not plan to construct, expand or acquire a facility.

**Yes.** Town of Riverhead plans to (construct, expand or acquire) a facility.
