MEDIA ADVISORY: Statement from Supervisor Hubbard

The election process has now concluded and I fully respect both the process and the outcome. The people have spoken, and while the result was not what I had hoped for, I am committed to ensuring a smooth transition for Supervisor-elect Halpin.

It has truly been an honor and a privilege to serve as an elected official for the Town of Riverhead over the past 10 years. Throughout my time in office as Councilman then Supervisor, I had the pleasure of working alongside residents, business owners, charitable organizations, community partners, 300+ employees and countless government officials towards the common goal of making Riverhead an incredible place to live, work and play. I truly love the Town of Riverhead and have always believed in the immense potential this town holds. It has so much to offer, and I remain optimistic about its future.

To the thousands of residents who supported me and voted for me—thank you. You gave me the opportunity to serve in a way that very few get to experience and I will carry those experiences with me, forever.

Once again, thank you for your unwavering support over the years. I encourage everyone to support Supervisor-elect Halpin as we work together to move Riverhead forward.

God bless Riverhead, and God bless America.
