Time: 6 to 8 p.m.

Location: Residence Inn Long Island East End, 2012 Old Country Rd., Riverhead, New York

Format: Hybrid (virtual and in-person)

The U.S. Navy will host its **62nd Restoration Advisory Board (RAB)** meeting for Former Naval Weapons Industrial Reserve Plant (NWIRP) Calverton, New York (former Grumman facility).

The meeting will be held in a **Hybrid (virtual and in-person)** format and can be accessed using the free MS Teams webinar application. Attendees will have the option to join the webinar up to 30 minutes before the scheduled start time. The login details are as follows:

- **Online:** <https://tinyurl.com/CALRABFeb2026>
- **Meeting ID:** 252 627 271 714 53
- **Meeting Passcode:** EL9hY98J (*case sensitive*)
- **Telephone:** (877) 286-5733
- **Phone Conference ID:** 685 621 972#

Note: Please allow sufficient time to download the MS Teams application to your computer or mobile device prior to the start of the meeting. If you prefer not to download the application, you can choose the "Continue in Browser" option to join the meeting directly.

The RAB serves as an open public forum where the Navy and regulatory agencies share information with official RAB community members about environmental programs at the Former NWIRP Calverton site. The agenda will include updates on ongoing activities related to the site. While the RAB is open to the public, time for public questions will be limited.
