

NOTICE SCHEDULE CHANGE

TOWN OF RIVERHEAD

Water Forum

IMPORTANT NOTICE: The Town of Riverhead has changed the date of the Water Forum from September 15th, 2021 to September 22nd, 2021 at 6:00pm at Town Hall Auditorium, 200 Howell Avenue, Riverhead NY.

The goal of the Water Forum is to communicate and share information and ideas to best address, remedy, or implement measures to provide clean safe drinking water to all our residents, minimize loss and waste of water, and maximize efficient and effective development of the Towns public water supply system all to promote public health, safety and welfare of our residents.

The Water Forum will meet quarterly with the first Water Forum re-scheduled from September 15th, 2021 at 6:00pm to September 22, 2021 at 6:00 pm, Town Board Auditorium, 200 Howell Avenue, Riverhead, NY. The Water Forum is open to the public and the Town will invite staff to provide updates on projects, grants, code changes, and aim to increase awareness and understanding about the issues surrounding water and water uses and infrastructure. In addition, members of the public are invited to recommend topics for discussion and the Town will make every attempt to accommodate and schedule the recommended topics for discussion. Please submit recommendations for topics to TBC@Townofriverheadny.gov and label request **Water Forum** on or before September 15th, 2021. The Water Forum Agenda will be posted on the Town-web site, Townofriverheadny.gov, on or about September 20th, 2021.

The format of the Water Forum shall be informal and designed to provide information and encourage open dialogue, discussion and an exchange of ideas. We look forward to meeting and working with our residents.
