Re: **Riverhead Water District  
Electrical System Maintenance  
And Emergency Services Contract  
H2M Project No.: RDWD 1701**

Dear Supervisor Walter:

On Thursday, December 7, 2017, the Riverhead Water District received bids for their Electrical System Maintenance and Emergency Services Contract. Four (4) contractors submitted bids, with the low bid being submitted by Wire to Water, Inc. of Farmingdale, New York. A summary of the bids received is shown below:

Contractor	2018 Bid	2019 Bid	2020 Bid
Wire to Water, Inc.	\$34,100	\$34,535	\$34,970
Hinck Electrical Contractor *	\$36,474	\$36,494	\$36,514
Bensin Contracting, Inc.	\$41,506	\$41,700	\$41,700
Baltray Enterprises **	\$53,328	\$54,972	\$56,560

\* - *Hinck Electrical Contractor was the apparent low bidder at the time of bid opening. However, upon evaluation of their submitted bid, an error in calculation was reported within the Bid Comparison section. The values above represent the corrected figures.*

\*\* - *Upon evaluation of Baltray Enterprises submitted bid, an error in calculation was reported within the Bid Comparison section. The values above represent the corrected figures.*

Wire to Water, Inc. has successfully completed similar work for various water utilities over the past few years including the Riverhead Water District. Additionally, the bid prices submitted by them compare to projects similar in size and nature. It is our opinion that Wire to Water, Inc. is qualified and their bid prices are fair and reasonable.

It should be noted that this contract is for system maintenance and emergency services. The total bid amounts were used as means of selecting a low bidder. The actual construction value is unknown at this time and will depend on the number of emergency and maintenance situations that occur during the year. Based on this, we recommend that the Town/District award the contract to Wire to Water, Inc. for the 2018 calendar year in the amount of **\$34,100.00**. The award for the years 2019 and 2020 shall be made separately prior to the start of the respective year if the extension of the contract is deemed to be in the best interest of the District.
