GENERAL SPECIFICATIONS

Any questions or clarification to the bid specifications or technical specifications must be submitted in writing to the Purchasing Agent at 200 Howell Ave., Riverhead, NY 11901 or by email to: baldinucci@townofriverheadny.gov prior to the bid opening. Such questions must be in the possession of the Purchasing Agent at least 72 hours prior to the bid opening. **Verbal questions will not be entertained.**

1. SCOPE

The Town of Riverhead Police Department (herein after also referred to as "Police Department and/or PD") is seeking qualified, experienced and licensed individuals/entities to provide boat and outboard motor maintenance and repair for the boats in the Police Department Marine Unit, in accordance with the terms, conditions, and specifications contained in this bid solicitation.

BID SPECIFICATIONS

2. The bidder/vendor shall have maintenance and repair serve available Monday through Friday during normal business hours (8 hours minimum per day). The vendor shall make every effort to provide prompt emergency service after normal working hours when requested by the Town Marine Unit. It is desired that the vendor's facility be located within an approximate 30 mile radius of the Town of Riverhead Police Department at 200 Howell Avenue, Riverhead, NY. The Vendor shall provide to the Town an emergency call out list of persons and numbers to contact when emergency service is needed after hours.
3. It is preferred that the vendor use trained personnel directly employed and supervised by vendor. All vendor's employees shall be fully qualified to keep the boats, motors and related equipment properly maintained and they shall use all reasonable care to maintain such in a proper operating condition at all times.
4. Where replacement parts are needed, the vendor shall use OEM parts or parts that are fully equal in quality to the original parts. The Police Department reserves the right, if it deems necessary, to purchase replacement parts and equipment according to Town's procurement policy or "piggyback" provisions set forth in General Municipal Law. Vendor agrees to install and maintain such parts and equipment. Vendor can either replace or repair parts or equipment that fail during the warranty period stated in the vendor's bid. Vendor must have Police Department approval prior to engaging in any repair work.
5. The Police Department reserves the right to add or delete vessels to be serviced during the contract period. Any added vessel will be located with the Riverhead area.

Hourly Labor Rate (Engine and Drive Work)

The hours charged for engine and drive work shall be the hours as listed in the current engine manufacturer flat rate manual. A copy of the manufacturer flat rate manual shall be provided to each listed department's liaison upon award of bid. The Police Department shall be charged a flat rate based upon multiplying the hourly rate bid by the number of hours listed for each operation. If the operation requires removing broken or corroded screws, or if the vendor feel that the particular operation requires work in excess of the hours listed, or if the vendor requires additional time to secure parts or supplies, he may request additional time to complete the operation. However, if the Police Department determines that the vendor's request is excessive, the Police Department reserves the right to bid that work to other vendors and awarded to the lowest responsible and responsible bidder. This does not included Fixed Job Rate items for with the cost for labor shall be included in the total price quoted for the job.

Hourly Labor Rate (Fiberglass Repairs)

The vendor shall provide an hourly labor rate for structural and cosmetic repairs to the fiberglass boats including all necessary equipment. Material necessary for repairs may be separately charged as provided for in these bid specifications.

Parts, Materials, and Equipment

The vendor shall add a cost plus percentage to their invoice cost for purchase parts, material and equipment needed to operate, maintain and repair the boats, motors and related equipment. The vendor shall be responsible for purchasing these items at the lowest possible cost consistent with the Police Department's need for boats in service.

Fixed Job Rates

Fixed Job Rates-The PD wishes to have the following list of jobs charged to the Police Department at a fixed/flat labor rate or fixed/flat cost per foot. Vendor shall furnish all labor and equipment to perform these jobs. Such jobs are considered standard. Any replacement parts required for these services shall be agreed upon by the PD and billed separately in accordance with the specifications herein. In the event that the vendor, after examining the job, feels that it requires work in excess of standard, he may request that the job be paid on actual hours spent. The PD may allow the vendor to charge actual hours if PD agrees that the particular job will, because of its complexity, exceed normal hours.

50/100/300 Hour Motor Service

Perform service on motors that have reached 20-40 hours on initial break-in, then at 100 and 300 hour intervals of operation afterward in accordance with manufacturer's recommendations for this service. The proposer shall list, as part of their submittal requirements, the specific service and parts included in the 100

DEVIATION

Minor deviations from the provisions of these Specifications will be considered to permit manufacturers to follow their standard manufacturing process.

Such deviations will be approved, however, only in the sole discretion of the Town of Riverhead Police Department and only if in its opinion they do not adversely affect the operation, maintenance, strength, efficiency, effectiveness, or life of the unit or any of its parts.

All proposed minor deviations, with full details, must be listed on a separate Detail Sheet, which must be attached to and made part of this bid.

The Town of Riverhead reserves the absolute right in its sole discretion to accept that bid, if any, which under all circumstances will best serve the public interest.

DETERMINATION & EVALUATION OF BIDS

The Town of Riverhead shall consider price, quality, delivery terms and conditions, bidder experience, reputation and past performance (i.e. history of poor quality of repairs, returns due to quality, delivery errors...)

The following can only be considered only upon agreement to extend this contract.

A request to substitute a new price when an extension is requested will be considered only if submitted to the Police Department in writing. The Police Department may, after consideration, accept the new price as a basis for modification of the contract. However, if the Police Department does not consider the new price fair, reasonable, and in the Town's interest, the contract may not be extended.

CONTRACT PERIOD

The Contract Period shall be effective for one year from date of award with the right to extend for an additional one year period or any such lesser amount as mutually agreed upon by and between the Town and the Vendor subject to identical terms and conditions.

RESERVATIONS

The mention in the specifications of any unit, component, or equipment by brand name and/or model is meant to convey to the potential bidder the type and quality of the product required and desired by the Police Department. Any unit, component, or equipment which is of equal type and quality may be considered as such and may be acceptable to the Police Department, upon agreement by the Police Department to that fact. The decision of the Police Department, however, in such a circumstance is final.

Furthermore, the Town of Riverhead reserves the right and responsibility to reject any or all bids if they believe such action to be in the best interest of the town.
