### III. BID SPECIFICATIONS

#### 1. Scope

The Town of Riverhead is seeking proposals from qualified vendors to supply the Town with Charter Buses (bus with restroom and driver(s)) for a variety of classes, programs and trips offered through the Town of Riverhead Parks and Recreation Department requiring bus transportation to and from the destination. As the Department of Parks and Recreation schedules and offers "Bus Trips" and "Field Trip" as part of its Fall-Winter and Spring-Summer Recreational Programs the number of bus trips and bus trip destinations may vary month to month or season to season and may be dependent on the number of interested participants. While the "Bus Trips" are typically selected to attract or address interests of adult residents (i.e. Broadway Play in New York City or Antique Fair in Rhinebeck, New York) and "Field Trips" are selected to attract or address interests of children and young adults, some destinations/bus trips are intergenerational (i.e. Baseball at Yankee Stadium or Whitewater Rafting/Lehigh Gorge State Park). A sample list of past and/or possible bus trip/charter service destinations is annexed hereto as Attachment 1. A copy of the Department of Parks and Recreation Fall-Winter or Spring-Summer Recreational Brochure may be viewed on line at [www.townofriverheadny.gov](http://www.townofriverheadny.gov), scroll to Department of Parks and Recreation, click to locate Fall-Winter or Spring-Summer Recreational Brochure.

While this bid is intended to include charter bus services for "Bus Trips" and some Summer Teen Program, Youth Program, Camp "Field Trips" listed and part of the Department of Parks and Recreation Fall-Winter and Spring-Summer Recreational Brochure, some trips/destinations located within the Town of Riverhead, County of Suffolk or County of Nassau (typically less than 30 miles and/or less than an hour travel time from starting location to the destination) are not included in this bid solicitation. In addition, daily bus services provided to and from Town Department of Parks and Recreation Facilities for Programs/Camps are not included in this bid solicitation.

#### 2. Compliance with Applicable Laws, Rules, Regulations:

Vendor shall comply with all US Department of Transportation, New York State Department of Transportation, New York State Vehicle and Traffic Laws and such other applicable federal, state and local laws, rules, and regulations regarding bus equipment, operation and safety, licensing of drivers, passenger safety, service and staffing, including but not limited to, valid New York State Inspection and Registration, maximum driving and on-duty time for drivers, continuous safe and adequate service.

#### 3. Minimum Standards for Bus and Equipment

The Town requires that all charter buses that are utilized in the performance of this Contract have operating and active two-way radios. All charter buses that transport children outside of the radio coverage shall be equipped with cellular or digital telephones or cellular two-way radios at no additional cost to the Town.

In addition to above, the Town requires that each and every charter bus provided to the Town for bus trips and field trips meet the following minimum standards: engine, steering, brakes must be in excellent working order; air conditioning and heating must be in excellent working order; the exterior of the bus must be well painted, clean and without signs of damage; the interior of the bus must be clean with upholstery and flooring in good condition; all on-board restroom facilities must be completely functioning and clean; restrooms must be serviced as often as necessary to avoid offensive odors in the bus.

If a bus experiences mechanical difficulties during service, the Vendor will provide a replacement bus within one hour.

All buses shall be open to inspection by the Town or its duly authorized representatives at departure site.

The Vendor's failure to adhere to the minimum standards recited above or provide replacement bus in a timely manner then the Vendor shall refund all deposits and/or payments made by the Town and pay the Town the missed/late trip damages plus any expenses the Town of the travelers incurred due to the non-arrival or lateness (ex., payment for any entrance fees, reimbursements for admission to events if the lateness prohibits admission, etc.).

#### **4. Scheduling/Reservation of Bus, Change or Cancellation of Trip Provisions**

a. Scheduling/Reservation

The Town will contact the Vendor, via telephone, email, or writing, to make a reservation for the desired service as soon as practicable and agrees that Town shall schedule same no later than 30 days in advance of the date for the bus trip or field trip. The Vendor shall confirm the reservation, including date, details of trip i.e. location of pick-up and approximately location for drop off at venue/event, pick up, estimated drop-off, and return time, location for pick up and destination, type and seating capacity, restroom facilities, in writing or email within 48 hours of receipt. In the event that an unforeseen circumstance has arisen such that the Town is unable to provide 30 days advance notice (late reservation), the Vendor shall make every effort to accommodate the request for services. The Vendor shall notify the Town of its ability (reservation confirmation) or inability to accommodate the Town's late reservation as soon as practical but not later than 48 hours of receipt of the reservation request, so the Town may be provided sufficient time to make a determination to reschedule the bus trip or field trip or arrange for bus services with a different bus Vendor.

b. Change Request

While the Town does not anticipate changes to a reservation request, the Town requires the Vendor to work cooperatively with the Town and make every effort to accommodate the change request. As per the paragraph above, the Vendor shall confirm the change request, in writing or via email, within 48 hours of receipt of such request.

c. Cancellation

- i. In the event the Town is required to cancel a trip due to lack of enrollment or event host cancelation/reschedule i.e. league rescheduling of ball game, the Town shall provide the Vendor with 10 days' notice or as soon as possible but not later than 72 hours' notice. Vendor shall provide a full refund if cancellation is received 72 days prior to departure date or in the alternative, if Vendor has received late notice of cancellation the Town shall pay Vendor a cancellation fee equal to one-eighth of the charge for the first 100 miles/eight hours of charter bus service for a pickup and return on the same day.
- ii. In the event that severe weather conditions are forecast and/or occurring which threaten travel safety for trip participants and/or bus travel, the Town and Vendor shall work cooperatively and make every effort to agree on cancellation and/or rescheduling. Vendor shall provide a full refund due to weather related cancellations or Vendor may apply any monies paid to the rescheduled reservation.

**5. Directions, Pick Up & Drop Off Time & Locations**

Vendor is responsible and accountable for ensuring that its drivers are knowledgeable of the Coach Bus service location and the most efficient way of traveling to/from that location from/to the trip pick up point.

Vendor shall arrive at the pick-up location (start of trip and return trip) and be ready for boarding at least 30 minutes before departure time. As a majority of the anticipated participants for the bus trips or field trips are seniors, some with health limitations, and children, traffic, safety and supervision concerns, the location for drop off and return trip pick-up location is of paramount importance. The Vendor shall make every effort to select a safe location for disembarking and return trip pick-up/boarding location in close proximity to event or venue. The Town may designate multiple pick-up and multiple drop-off locations per trip.

In the event a scheduled charter bus does not arrive at the Town scheduled departure site(s), is late arriving at the pickup site, or is late arriving to the trip site due to factors within the control of the Vendor, then Vendor shall pay the Town the missed/late trip damages plus any expenses the Town of the travelers incurred due to the non-arrival or lateness. (ex., payment for any entrance fees, reimbursements for admission to events if the lateness prohibits admission, etc.).

**6. Accidents/Incidents**

In the event of any accident involving a vehicle in service to the Town, Vendor must notify the Town of Riverhead Parks and Recreation Department, 631-727-5744 during regular business hours and at the cell phone number provided (after contract award) during off hours, and a written report submitted to the Recreation Superintendent of the Town.

Written reports suitable for filing with the Department of Transportation and the Department of Motor Vehicles shall be prepared by the Vendor and copies forwarded to the Town of Riverhead.

## **7. Price/Rate, Fees, and Payment**

Bid submissions are requested for charter bus services for pick-up and return the same day. Services are also requested for a rate when the pick-up is one day and the return is another day. The price for charter bus services for the Town Recreation Programs is to be submitted on the Cost Summary Form(s) and it is to be a rate that considers time and mileage from the point(s) of departure to the return drop-off point(s).

The Town recognizes that there are times when it is necessary, due to State and Federal law and Regulations, to have a relief driver on a charter bus due to extended travel time and, as such, a daily charge for a relief bus driver is to be included within the rate quoted.

The Town will not reimburse the Vendor for costs of tolls, admission and parking fees below \$100.00 (the Town will reimburse Vendor that portion of parking fees above \$100.00) on any charter bus service and said costs must be borne by the Vendor. The Town will make payment or reimburse the Vendor for costs for ferry services if applicable and necessary part of transportation.

All invoices for charter bus services will include a trip verification form which will be supplied by the Town.

## **8. Insurance Certification**

- i. The vendor hereby agrees to effectuate the naming of the Town of Riverhead, its Board members, and employees as an unrestricted additional insured on the vendor's insurance policies, with the exception of workers' compensation, with no responsibility for payment of premium by the Town.

IRAN DIVESTMENT ACT CERTIFICATION

As a result of the Iran Divestment Act of 2012 (Act), Chapter 1 of the 2012 Laws of New York, a new provision has been added to the State Finance Law (SFL), § 165-a, effective April 12, 2012. Under the Act, the Commissioner of the Office of General Services (OGS) will be developing a list (prohibited entities list) of “persons” who are engaged in “investment activities in Iran” (both are defined terms in the law). Pursuant to SFL § 165-a(3)(b), the initial list is expected to be issued no later than 120 days after the Act’s effective date, at which time it will be posted on the OGS website.

By submitting a bid in response to this solicitation or by assuming the responsibility of a Contract awarded hereunder, Bidder/Contractor (or any assignee) certifies that once the prohibited entities list is posted on the OGS website, it will not utilize on such Contract any subcontractor that is identified on the prohibited entities list.

Additionally, Bidder/Contractor is advised that once the list is posted on the OGS website, any Contractor seeking to renew or extend a Contract or assume the responsibility of a Contract awarded in response to the solicitation, must certify at the time the Contract is renewed, extended or assigned that it is not included on the prohibited entities list.

During the term of the Contract, should the TOWN OF RIVERHEAD receive information that a person is in violation of the above-referenced certification, the TOWN OF RIVERHEAD will offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment which is in violation of the Act within 90 days after the determination of such violation, then the TOWN OF RIVERHEAD shall take such action as may be appropriate including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The TOWN OF RIVERHEAD reserves the right to reject any bid or request for assignment for an entity that appears on the prohibited entities list prior to the award of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the prohibited entities list after contract award.
