

TOWN OF RIVERHEAD

Water Forum – NOTICE

The Town of Riverhead will host the first Water Forum. The goal of the Water Forum is to communicate and share information and ideas to best address, remedy, or implement measures to provide clean safe drinking water to all our residents, minimize loss and waste of water, and maximize efficient and effective development of the Town's public water supply system. The goal is to provide safe and clean drinking water to our residents.

The Water Forum will meet quarterly with the first Water Forum scheduled for September 15th, 2021 at 6:00pm, at the Town Board Auditorium, 200 Howell Avenue, Riverhead, NY. The Water Forum is open to the public and the Town will invite staff to provide updates on projects, grants, code changes, and aims to increase awareness and understanding about the issues surrounding water and water uses and infrastructure.

In addition, members of the public are invited to recommend topics for discussion and the Town will make every attempt to accommodate and schedule the recommended topics for discussion.

Please submit suggestions and comments to TBC@Townofriverheadny.gov and label request Water Forum on or before September 10th, 2021. The Water Forum Agenda will be posted on the Town web site, Townofriverheadny.gov, on or about September 13th, 2021.

The format of the Water Forum shall be informal and is designed to provide information and encourage open dialogue, discussion and the exchange of ideas. We look forward to meeting and working with all our residents.
