RIVERHEAD WATER DISTRICT

**** BID NOTICE ****
NOVEMBER 14, 2019

Project No.: RDWD 1804
Project Name: 2018 Test Well Program Phase 1 – Installation of Groundwater Monitoring Wells
Advertise Date: November 14, 2019
Description: Notice of Delay in Document Availability

Please be aware that the “Final Bid Documents” for the above referenced project are not yet available for download. Due to a delay in receipt of information pertinent to the project, the overall scope of work cannot be finalized. The Water District is working towards obtaining the appropriate information and once available, a complete set of documents will be made available here on or about November 21, 2019 and shall include a revised bid opening date.

If you have any questions, please contact Teresa Balducci, Purchasing Agent via email at:
