TOWN OF RIVERHEAD

Resolution # 817

APPROVES SITE PLAN PLAN OF RIVERHEAD FIRE DISTRICT TRAINING FACILITY

Councilman Densieski offered the following resolution, which was seconded by Councilman Cardinale:

WHEREAS, a site plan and elevations were submitted by Cashin Associates, P.C., on behalf of the Riverhead Fire District to construct a fire training facility and associated site improvements on real property located at the northwest corner of Northville Turnpike (CR43) and Cross River Drive (CR105), Riverhead, New York, known and designated as Suffolk County Tax Map Number 0600-44-2-10.3; and

WHEREAS, the Planning Department has reviewed the site plan dated August 3rd, 2001, as prepared by James A. Gladysz, P.E., Cashin Associates, P.C., and elevations dated November, 2000, as prepared by James A. Gladysz, P.E., Cashin Associates, P.C., and has recommended to the Town Board of the Town of Riverhead that said site plan application be approved; and

WHEREAS, the Town Board has completed the required eight step balancing test set forth in the case "In the Matter of the County of Monroe, 72 NY2d 338 and In Nanuet First Engine Co. No. 1 v. Arnold Amster, 1998 NY Slip. Op. 98387" and, based upon application of that balancing test (which initially assumes that the Town's regulations *do* apply), has determined that the applicant must comply with the site plan requirements set in the Town Code of the Town of Riverhead; and

WHEREAS, in applying the balancing test the Town Board determined as follows:

The nature and scope of the instrumentality seeking the exemption is the Riverhead Fire District;

There is a great public interest to be served by permitting the construction of a training facility for fire fighter;

Local regulations would prohibit the activity as the land is currently Agriculture A;

The impact upon the legitimate local interest is served by requiring that the site be planned in conjunction with the Town Planning Departments such that the Town's long range planning goals may be addressed;

There are no viable alternative locations;

There are not viable methods for otherwise providing the improvement;

There is a legitimate governmental interest in intergovernmental participation;

The Fire District has had an opportunity to be heard at the public hearing held on July 3rd, 2001;

WHEREAS, the Town Board has carefully considered the merits of the site plan application, the SEQRA record to date, the report of the Planning Department, as well as all other relevant Planning, Zoning and Environmental information; and

WHEREAS, a copy of the site plan has been marked and initialed by the Town Board to show changes that limits the planned construction to a fire training facility only and which does not request permission to construct a firehouse or a training track. These changes are specifically set forth in this resolution, which site plan shall be on record with the Town Clerk; and

WHEREAS, the site plan review fee, as required by Section 108-131 B(3) of the Code of the Town of Riverhead has been received and deposited as per Receipt Number of the Office of the Supervisor of the Town of Riverhead; and;

WHEREAS, this Town Board has reviewed the site plan and elevations aforementioned.

NOW, THEREFORE, BE IT
