Minutes of a meeting of the Town Board of the Town of Riverhead held in the Town Hall on Tuesday, January 6, 1959 at 9:30 A. M.

Present:

William J. Leonard, Supervisor

Otis G. Pike

Bruno F. Zaloga, Jr., Justices of the Peace

John H. Benedict

Elmer A. Stotzky, Councilmen

Also Present: Jacob Harding, Town Attorney and Myron C. Young, Superintendent of Highways.

On motion by Justice Pike and seconded by Councilman Benedict, it was Resolved that the reading of the previous meetings' minutes be dispensed with until the next meeting of the Town Board.

Mrs. Miles Fairley, Chairman of the Town Youth Commission appeared before the Board relative to the appointment of a Town Recreation Director. She asked: (1). The proposed salary of Director. (2). The length of salary contract. (3). The allowance for use of Director's car. (4). Office space.

She said that in her opinion, in order to hire a competent Director, the minimum salary for said Director should be \$6000. per annum, with a two-year salary contract, and that some allowance should be made for use of said Director's car.

It was the consensus of the Board that they could offer a \$6000. per annum salary, with a two-year salary contract, and the Superintendent of Highways offered office space at the Town highway barn.

Mrs. Fairley further mentioned that expenses are incurred from time to time for telephone calls, etc, and she was concerned about payment of same. She was advised by the Board that the Youth Commission budget is provided for the payment of proper itemized claims filed on Town vouchers.

The Board further advised Mrs. Fairley that the administration and success of a Town recreation program was dependent upon public acceptance of the program as laid out by the recreation director, therefore, it was difficult to make overall commitments and plans at this time.

Supervisor's Report for the month of December 1958 was submitted to the Board and ordered placed on file.

Police Report for the month of December 1958 was submitted to the Board and ordered placed on file.

Annual Police Report for the year 1958 was submitted to the Board and ordered placed on file.

Statement of Tax Collections from the Receiver of Taxes, Charles Allen Horton, dated January 5, 1959, were submitted to the Board. Communication ordered placed on file.
