Present:

- George L. Wells, Supervisor
  - John Bagshaw Town Clerk
  - Daniel R. Young #
  - Geo. A. Buckingham #
  - William H. Taft #
- Justices  
of the  
Peace.

The following communication was read by the Town Clerk.

Office of the Town Clerk of North Hempstead, Roslyn, N. Y  
Monroe S. Wood, Town Clerk.

December 15th, 1900.

My dear sir,

I am directed by the Board of Town Trustees of North Hempstead to request that a representation from your town board or board of town trustees meet with them in conference on Saturday next, Dec. 22' at 11 o'clock A. M. at the office of M. Linn Bruce, 18 Wall St., New York City, on a matter which affects the rights of every town on Long Island in the jurisdiction over and control of their lands under water and shore front.

The object of the conference will be stated more fully at the meeting; but briefly stated here it is to agree upon some concerted memorial to the Attorney General for a vigorous prosecution of a case on the calander of the Court of Appeals.

For obvious reasons, it is requested that no publicity to the movement be given.

Trusting to meet a representative from your town of Saturday, I remain, my dear sir,

Very truly yours,

(Signed) *Monroe S. Wood*

The Town Clerk stated that he attended the meeting at the request of Justices Young, Buckingham and Taft, that said meeting was called for the purpose of determining upon such action as was necessary in the protection of Town rights in and to waters and land under waters; that several cases were now in the Courts and some determined action must be taken in order to protect such rights; it was decided that the representatives present should request their town Boards to send a representative to a meeting to be called in the near future and appear before the Attorney General in order to ob-

tain all necessary aid.

On motion Town Clerk Bagshaw was appointed a Committee to represent the Town of Riverhead and to attend any meeting or meetings that might be called.

Meeting adjourned.

John Bagshaw  
Town Clerk
