**NOTICE IS HEREBY GIVEN** that at a regular meeting held on June 2, 2009, the Town Board of the Town of Riverhead duly adopted a resolution, an abstract of which follows, which resolution was made subject to a permissive referendum pursuant to the provisions of Town Law and Municipal Home Rule Law:

**Abstract:**

Town of Riverhead, faced with financial constraints, investigated and obtained information that Riverhead residents are taxed by both the Town of Riverhead and County of Suffolk for public safety dispatch services. The Town of Riverhead gave serious consideration to the costs and services performed by the Town and County for the function of public safety dispatch function and duplication of taxation by the County of Suffolk for public safety dispatch function and thereafter authorized the transfer of function of the Public Safety Dispatchers from the Town of Riverhead to the County of Suffolk to be effective June 30, 2009. Accordingly, the Town modified and approved a budget that removed salaries and expenses related to the public safety dispatch functions. The transfer of function resulted in public comments in favor of and in opposition to the transfer of function such that pursuant to §33-a of the Municipal Home Rule Law and Town Law §81, on May 5, 2009, the Town Board adopted Resolution #450 which rescinded the authority to transfer the safety dispatch function and directed that a proposition be placed on the ballot to afford all residents of the Town of Riverhead the opportunity to determine whether to fund, through the collection of tax dollars, the public safety dispatchers as a function of the Town of Riverhead or transfer the function to the County of Suffolk.

The resolution directions that a proposition be placed on the November 3, 2009 ballot which states as follows:

**PUBLIC REFERENDUM TO DETERMINE TO FUND OR TRANSFER THE  
PUBLIC SAFETY DISPATCH FUNCTION**

“Should the Town of Riverhead add the sum of \$950,000.00 to the 2010 Town Budget and succeeding Town Budgets, through the collection of taxes from Riverhead taxpayers, to retain the Town of Riverhead safety dispatch function, a function that Suffolk County is legally required to provide and for which it currently taxes Riverhead taxpayers?”

If this referendum is approved, the Town of Riverhead would add the sum of \$950,000.00 to the 2010 Town budget and succeeding budgets, through the collection of taxes from Riverhead residents to retain the Safety Dispatch Function. If this

referendum is not approved, the Town of Riverhead will transfer the Safety Dispatch Function to the County of Suffolk.
