BY ORDER OF THE TOWN BOARD
OF THE TOWN OF RIVERHEAD

IRENE J. PENDZICK, Town Clerk

The vote, Stark, yes, Prusinowski, yes, Civiletti, yes, Creighton, yes, Janoski, yes.

The resolution was thereupon duly declared adopted.

**TOWN OF RIVERHEAD SPECIFICATIONS FOR
STREET LIGHTING IN RESIDENTIAL SUBDIVISIONS**

- (24) Streetlighting. The following specifications must be met:
- (a) Street light standards, luminaires, conduit, splice boxes, fuses and all related hardware for street lighting systems shall be installed in all residential subdivisions.
 - (b) Prior to commencement of such installation, plans of proposed lighting layouts shall be submitted to the Planning Board and subsequently forwarded to the Town Engineer for review. Plans shall be drawn to scale showing the proposed location of street light facility including Long Island Lighting Company (LILCO) power source. All plans shall be prepared by a licensed professional engineer. No work shall be commenced prior to the approval by the Planning Board and Town Engineer.
 - (c) Location of lights. Lighting layouts shall be designed to provide a generally level of illumination based on the use of 70-watt colonial-type, high pressure sodium luminaires. In general, street lights shall be installed at every street intersection, at the end of each cul-de-sac and shall be spaced approximately 150 to 200 feet apart.
 - (d) General installation. All wiring, splices, conduit and workmanship shall be in accordance with the National Electrical Code and the requirements of the National Board of Fire Underwriters and LILCO. All work on the street lighting system shall be performed by and tested for continuity and safety by electricians licensed by the County of Suffolk. Copies of test results shall be furnished to the Town Engineer prior to release of performance bonds.
 - (e) Inspections. Upon commencement of the installation work, periodic inspections of the work being performed will be made by the Town. The builder shall be responsible for notifying the Town Engineer and/or street lighting personnel, at 516-727-3200 Extension 279, 48 hours prior to performance of any work in order to allow for daily inspections of all work being performed. Upon completion and final testing of the street lighting installation, a final inspection will be made before the Town will accept the completed

installation. An inspection notice will be provided indicating approval or disapproval of the installation.

- (f) Lighting standards. All lighting standards shall be fiberglass as in accordance with Town specifications referred to in the Attached Item No. 1. Fiberglass poles shall be black or as specified by the Town. All poles shall have an overall length of 20 feet, embedded four (4) feet and shall be installed approximately 24 inches behind the curb. Luminaire mounting height shall be 16 feet. Poles shall be installed plumb and soil thoroughly tamped after installation. Wire in poles shall be copper RR-USE or XLP-USE, minimum gauge AWG No. 10.
- (g) Luminaires. Light fixtures shall be 70 watt, 120-volt high pressure sodium and shall be Town and Country 100 Series by G.E. The Town of Riverhead specifications for colonial post top luminaires is referred to in Item No. 2 attached. Lamps used shall be manufactured by General Electric, Westinghouse, Sylvania, Norelco or approved equal. A photoelectric control equal to Town of Riverhead specification Item No. 5 (attached) shall be provided.
- (h) Underground wiring. Wire and cable for lighting system circuitry shall be direct buried, copper, type RR-USE or XLP-USE with a minimum gauge of AWG No. 6. Wire shall be approved and complete installation shall meet all requirements of the National Electric Code. All wire splicing shall be performed within approved splice boxes or within pole at hand hole. All splices and connections shall be made using approved split bolt or compression-type connectors and shall be insulated using an approved waterproof method. Cable shall be buried 24 inches below finished grade installed directly behind the curbing. Any and all wiring under a roadway, driveway, walkway, sidewalk or other load-bearing, paved surfaces shall be installed within 1 1/4" galvanized rigid steel conduit. All cable terminations and splices shall be color-coded using Scotch Tape 2210 as follows: Red - Hot Leg; White - Neutral Leg; Green - Ground.
- (i) Splice boxes. A polyethylene splice box conforming to Town of Riverhead specifications referred to in attached Item No. 3 must be installed at the base of each street light pole for splices and fuses. Splice boxes shall be installed so

that the top of the installed box is at the finished grade. Splice boxes shall be located behind the curb in front of each light pole when required. Each street light pole and fixture shall be individually fused at the fixture using a Bussman-type HEB-AA fuseholder and a Bussman KTK-15 amp fuse or approved equal.

- (j) Splices. Splices between fixtures or between transformers and splice boxes, unless specifically authorized by the Engineer, are not acceptable. Where splices are authorized and locations approved, such as at fixture connections to circuit cables, the Contractor shall make a splice with an approved mechanical connector encapsulated by Scotch tape 2210, Scotch tape 33+, and then coated with Scotch Cote in a manner as approved by the Engineer.
- (k) Fuses. Each lighting loop shall be fused in the corresponding service box to protect and isolate each individual lighting circuit. Each service box is to contain a Bussman-type HEB-AA fuseholder and a appropriately-sized Bussman KTK fuse. Each individual pole shall also contain a fuseholder and fuse to protect and isolate individual light fixtures to be located in splice box at the base of the pole.
- (l) Service Boxes. A service splice box referred to above (see attached Item No. 3) equal to Town of Riverhead specifications shall be installed at the point of connection to the LILCO facilities and shall contain an appropriately-size fuseholder and fuse. This installation shall meet all requirements of LILCO. Direct burial service cable shall be installed from the street light service splice box to LILCO service point and a length of slack cable sufficient for LILCO to connect to their facilities shall be left coiled at the LILCO box and shall be color-coded at connection ends as follows: Red - Hot Leg; White - Neutral Leg; Green - Ground. Service cable shall be No. 6 AWG, copper wire, type USE or approved equal. All connections to LILCO underground facilities will be performed by LILCO personnel. Each circuit shall be fused inside the service box.
- (m) Conduit. All conduit shall be hot dipped, 1-1/4" inside diameter, galvanized, UL approved, rigid steel in accordance with Town of Riverhead specification Item No. 4 attached. Conduit shall be used as a wireway for circuit cables where light-

ing circuits pass under roadways, driveways, sidewalks or other paved load-bearing surface. Conduit shall be installed directly behind the curb where applicable or in the most direct route as specified by the Town and installed 24" below grade. Such conduit shall extend a minimum of 6 inches beyond the edge of any paved area as specified above.

- (n) As-built drawings. Prior to final approval by the Town, dedication of roads or release of performance bond, the builder/developer is responsible to furnish the Town Engineer with two (2) sets of as-built drawings. These drawings shall show the location of street lights, poles, service splice boxes, conduit run and wiring circuits.

Resolution No. 571

Amends Resolution No. 508 of the Riverhead Water District,
Adopted August 7, 1990

Motion made by Councilman Creighton

Seconded by Councilman Stark

WHEREAS, application was made by Alvin Benjamin to subdivide real property located at Middle Road, Riverhead, New York, for the realty subdivision known as "The Knolls at Riverhead"

WHEREAS, the Riverhead Town Board, pursuant to statute, assumed the status of lead agency and issued its finding statement wherein it determined that the applicant should be required to acquire at its expense, an additional access for vehicular traffic directly from Middle Road so as not to impact on the existing John Wesley Adult Community or the inhabitants of Nadel Drive, and that the children's "tot lot" should be located away from John Wesley Village;

WHEREAS, Alvin Benjamin made application to the Riverhead Water District for an extension thereof which was approved by this Board by resolution dated August 7, 1990;

WHEREAS, the Town Board, as lead agency, and governing body of the Riverhead Water District wishes to amend said resolution to provide for the acquisition of a well site on the subject property, and

WHEREAS, the Town Board, as lead agency, finds that maintaining an undeveloped buffer area between the proposed subdivision of Alvin Benjamin and the existing subdivision to the west of Nadel Drive is in the best interests of the community and declines the conveyance of the "tot lot" to the Town of Riverhead.

NOW, THEREFORE, be it

RESOLVED that this Board accepts the real property appraisal dated July 15, 1991, as prepared by John L. Bagshaw, Jr. to the extent that the agreed value of the property to be conveyed for a well site is determined to be \$150,000.00, which is to be credited against Water District fees, which the applicant agrees will also compensate him for the additional expense of constructing the required improvements to provide vehicular access as shown on his proposed subdivision map directly from the subdivision to Middle Road; and be it further

RESOLVED that this Board, on behalf of the Riverhead Water District, accepts the open space area as shown on the proposed map as a well site for the Water District, as shown on the surveys attached hereto; and it is further

RESOLVED that Resolution No. 508 adopted August 7, 1990, hereby is amended to provide that the applicant shall convey title to the well site as a condition thereof, and pay key money in the sum of \$60,000.00 pro rata on each of the 84 lots as more particularly set forth in Resolution No. 508, adopted August 7, 1990. Said Resolution No. 508 shall, in all other respects, remain in full force and effect with the exception that the bonds set forth in said resolution shall be dated and carry expiration

dates as though said Resolution No. 508 were adopted this date;
and be it further

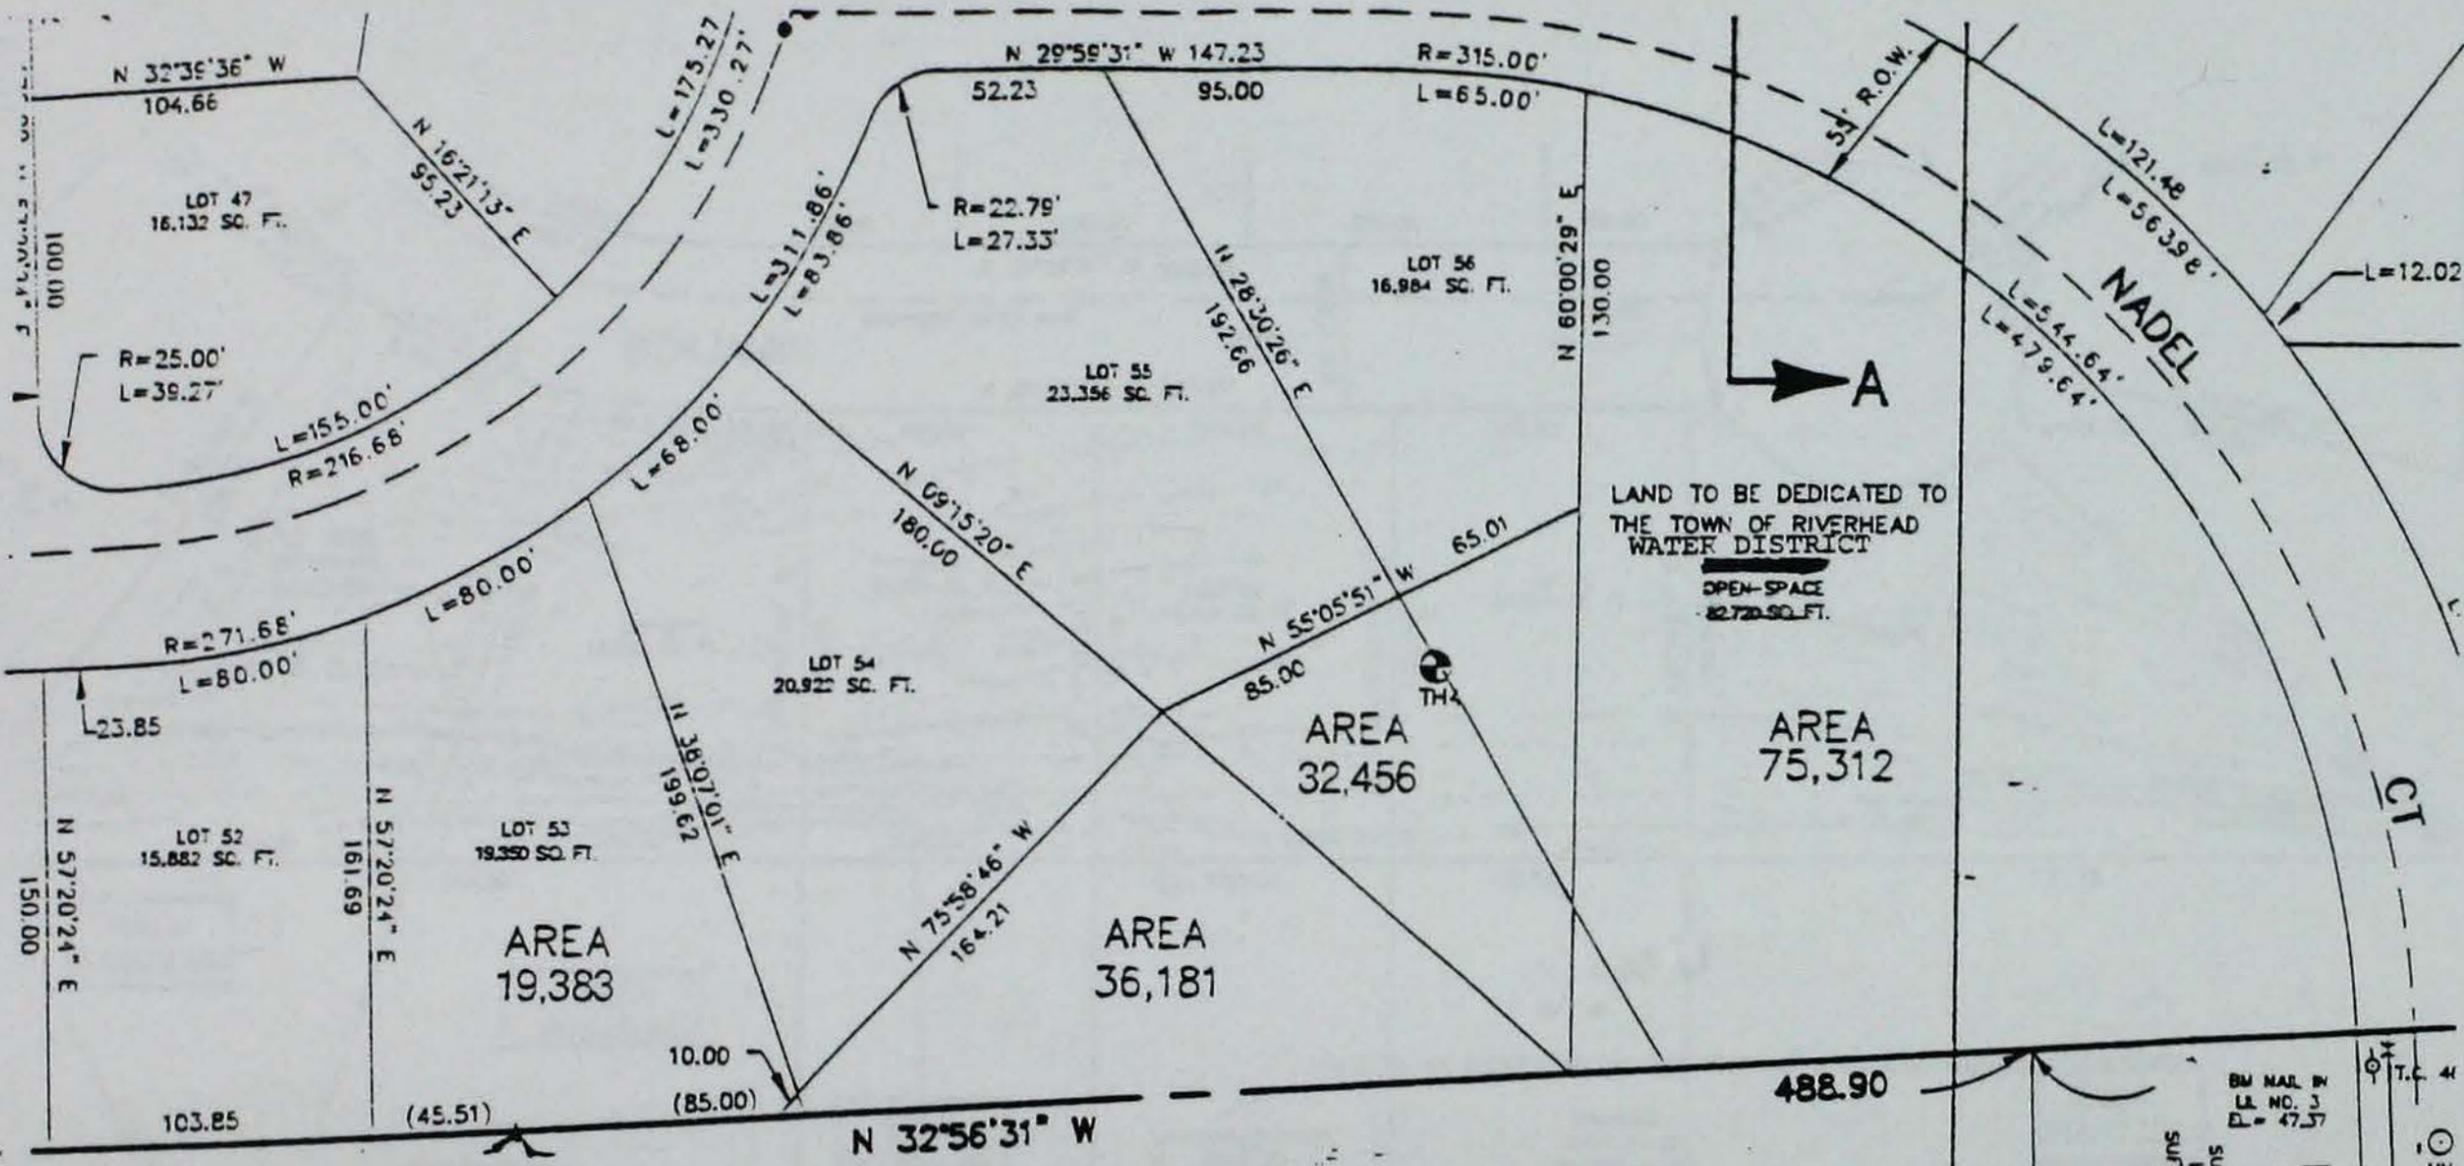

RESOLVED, that pursuant to this resolution, the Supervisor
be and is hereby authorized to accept the deed covering the
premises shown in the attached exhibit conveying the property to
the Riverhead Water District; and be it further

RESOLVED, that the Town Clerk be and is hereby directed to
forward a certified copy of this resolution to Henry Saxtein,
Esq., as attorney for the applicant, and the Riverhead Planning
Board.

APPROVES SITE PLAN OF AMP-AKZO/ADDITIVE CIRCUITS -
BUILDING ADDITION AND TANK REPLACEMENT

Councilperson Stark offered the following resolution, which was seconded by Councilperson Creighton :

WHEREAS, site plans and elevations were submitted by Robert Kimmel, as agent for AMP-AZKO/Additive Products for the construction of a 16,000-square foot building addition as well as the removal of above-ground chemical storage tanks and loading dock and the reconstruction of said facilities, in phases, located at the west side of West Lane, Aquebogue, New York, known and designated as Suffolk County Tax Map Number 0600-66-2-2.1; and

WHEREAS, the Planning Department has reviewed the site plan dated last July 31, 1991, as prepared by Young & Young, 400 Ostrander Avenue, Riverhead, New York, 11901, and the site plan (Sheets 1 and 2 of 22) and elevations (Sheets 13 through 16 of 22), both prepared by Lahti Environmental Consulting, 63 Hazel Avenue, Farmingville, New York, 11738, and elevations dated June 28, 1991, as prepared by Radon Construction Corp., 33 Commack Loop, Ronkonkoma, New York, 11779, and has recommended to the Town Board of the Town of Riverhead that said site plan application be approved; and

WHEREAS, based upon the Town Board's review of the Environmental Assessment Form and the proceedings had herein, the Town Board determines that the site plan for the building addition will be a(n) Unlisted Action without a significant impact upon the environment and the tank replacement will be an exempt action, pursuant to the State Environmental Conservation Law and 6 NYCRR Part 617; and

WHEREAS, a copy of the site plans has been marked and initialled by the Town Board to show changes that are further set forth in this resolution, which site plans shall be on record with the Town Clerk; and

WHEREAS, this Town Board has reviewed the site plans and elevations aforementioned.

NOW, THEREFORE, BE IT

RESOLVED, that the site plans and elevations submitted by Robert Kimmel, as agent for AMP-AZKO/Additive Products, for the construction of a 16,000-square foot building addition, located at the west side of West Lane, Aquebogue, New York, site plan dated last July 31, 1991, as prepared by Young & Young, 400 Ostrander Avenue, Riverhead, New York, 11901, and elevations dated June 28, 1991, as prepared by Radon Construction Corp., 33 Commack Loop, Ronkonkoma, New York, 11779, be and are hereby approved by the Town Board of the Town of Riverhead, subject to the following:

1. That the provisions of the Riverhead Town Code, which are not addressed by this resolution, or other official action of the Town shall, at all times, be complied with by the owner of the property covered by these site plans;

2. That a covenant containing all the limitations and provisions of these approvals contained in this resolution, in a form as attached, shall be recorded with the Suffolk County Clerk and a copy of such recorded covenant shall be filed with the Riverhead Town Clerk. This resolution shall not become effective until such covenant is duly recorded with the Suffolk County Clerk's Office and filed with the Riverhead Town Clerk;

3. That the form, design, location and color of all signage shall be submitted to the Town Board for its review and approval pursuant to the site plan process and the sign permit procedure prior to being installed at the property; that all signage so proposed shall be coordinated in appearance and design; and that all provisions of Section 108-56 of the Riverhead Town Code shall be complied with, and that all tenants shall be apprised of said requirements as well as those of Section 108-110.7 and any restrictions imposed as a condition of the site plan approval granted herein;

4. No lighting shall be installed or adjusted in such a way as to cause direct glare on neighboring properties or adjoining highways;

5. That the applicant is familiar with the Riverhead Town Code, Chapter 96, entitled, "Trash, Rubbish and Refuse Disposal," and Chapter 98, prohibiting the accumulation of litter, and agrees to abide by same;

6. Parking, paving and drainage shall be provided pursuant to specifications outlined in the Riverhead Town Code;

7. That the parking area shall be maintained pursuant to specifications outlined in the Riverhead Town Code;

8. That adequate parking for the handicapped, pursuant to State and Federal law, shall be provided and that each handicap stall shall be designated by an individual sign erected on a stanchion stating, "No Parking, Handicap Only," and the universal symbol affixed thereto. Further, by execution and filing of this document, AMP-AKZO JV, Inc. hereby authorizes and consents to the Town of Riverhead to enter premises at the West side of West Lane, Aquebogue, New York, to enforce said handicapped parking regulations;

9. That any and all landscaped and paved areas shall be regularly maintained in an orderly and professional manner and kept free of weeds and litter; and that any planters, planter boxes, window boxes or other container plantings shall likewise be maintained on a year-round basis;

DECLARATION AND COVENANTS

THIS DECLARATION, made the _____ day of _____, 1991, made by AMP-AKZO JV, Inc., a domestic corporation with offices at 322 South Service Road, Melville, New York, 11746, Declarant.

W I T N E S S E T H:

WHEREAS, Declarant is the owner of certain real property situate in the Town of Riverhead, Suffolk County, New York, more particularly bounded and described as set forth in SCHEDULE "A" annexed hereto, as provided by Declarant; and

WHEREAS, for and in consideration of the granting of said site plan, the Town Board of the Town of Riverhead has deemed it to be in the best interests of the Town of Riverhead, and the owner and prospective owners of said parcel, that the within covenants and restrictions be imposed on said parcel, and as a condition of granting said site plan and said Town Board has required that the within Declaration be recorded in the Suffolk County Clerk's Office; and

WHEREAS, Declarant has considered the foregoing and determined that same will be in the best interest of the Declarant and subsequent owners of said parcel.

NOW, THEREFORE, THIS DECLARANT WITNESSETH:

That Declarant, for the purpose of carrying out the intentions above expressed, does hereby make known, admit, publish, covenant and agree that the said premises herein described shall hereafter be subject to the following covenants which shall run with the land, and shall be binding upon all purchasers and holders of said premises, their heirs, executors, legal representatives, distributees, successors and assigns; to wit:

1. That the provisions of the Riverhead Town Code, which are not addressed by this resolution, or other official action of the Town shall, at all times, be complied with by the owner of the property covered by this site plan;

2. That the form, design, location and color of all signage shall be submitted to the Town Board for its review and approval pursuant to the site plan process and the sign permit procedure prior to being installed at the property; that all signage so proposed shall be coordinated in appearance and design; and that all provisions of Section 108-56 of the Riverhead Town Code shall be complied with, and that all tenants shall be apprised of said requirements as well as those of Section 108-110.7 and any restrictions imposed as a condition of the site plan approval granted herein;

3. No lighting shall be installed or adjusted in such a way as to cause direct glare on neighboring properties or adjoining highways;

4. That the applicant is familiar with the Riverhead Town Code, Chapter 96, entitled, "Trash, Rubbish and Refuse Disposal," and agrees to abide by same;

5. Parking, paving and drainage shall be provided pursuant to specifications outlined in the Riverhead Town Code;

6. That the parking area shall be maintained pursuant to specifications outlined in the Riverhead Town Code;

7. That adequate parking for the handicapped, pursuant to State and Federal law, shall be provided and that each handicap stall shall be designated by an individual sign erected on a stanchion stating, "No Parking, Handicap Only," and the universal symbol affixed thereto;

8. That any and all landscaped and paved areas shall be regularly maintained in an orderly and professional manner and kept free of weeds and litter; and that any planters, planter boxes, window boxes or other container plantings shall likewise be maintained on a year-round basis;

9. That all utilities shall be constructed underground;

10. Pursuant to Section 108-133I of the Code of the Town of Riverhead, the applicant, upon approval of a final site plan by this resolution and prior to the issuance of a building permit, shall post a performance bond or other equivalent security. The performance bond or other security assures the performance of all the conditions of the building permit in accordance with the site plan approval. The Supervisor, upon approval from the Town Attorney as to form, is hereby authorized to accept said performance bond or other security, which shall be filed with the Town Clerk subsequent to approval of the site plan herein. The building permit shall not be issued until the Town Clerk certifies that the performance bond or other security has been filed in the Office of the Town Clerk of the Town of Riverhead. Said security shall be in full force and effect for the term of the building permit or any renewal thereof;

Declarant has hereunto set his (her) hand and seal the day and year above first written.
