Youth Court is...

A voluntary alternative to the traditional juvenile justice system for first time offenders who are under the age of 20 and who have committed a violation or a misdemeanor crime. Actual cases are referred from Suffolk County

Probation and Riverhead Justice Court and go to trial with our Riverhead Youth Court members serving as defense attorney, prosecuting attorney, judge, clerk, bailiff, jury foreperson and jury member.

The offender is held accountable for the crime they have committed by appearing before a court of their peers for a trial and/or sentence hearing.
