1. The Town of Riverhead has been asked if the Town adopted a “Service Disabled Veteran Owned Small Business” initiative in its procurement policy.

The Town has not adopted this initiative. A copy of the Town’s Procurement Policy can be found on the Town’s website www.townofriverheadny.gov click “Applications and Form” then click “Purchasing”.

2. The Town is aware that the sample of signs includes signs that are not ADA compliant. The Town’s goal moving forward is to provide ADA signage that provide people with disabilities consistent and clear signage for ease of access and navigation through all Town buildings.
