I have reviewed the Consistency Analysis prepared by Jeffrey L. Seeman, dated April 1, 2019, the 8-lot preliminary subdivision map dated March 26, 2019 that was subject of a public hearing conducted on April 2, 2019 as well as posted on the Town of Riverhead's website.

Based on my review of the Consistency Analysis, it is correct and proper in all respects except that its reference to an April 1, 2019 map should be to the map dated March 26, 2019. There is no map dated April 1, 2019 and instead, on April 1, 2019, a revised preliminary subdivision map dated March 26, 2019 was created at the required scale and the required number of necessary copies submitted in compliance with Town subdivision regulations.

A handwritten signature in dark ink that reads "Jeff V. Murphree". The signature is written in a cursive, flowing style.
