Receipt No. _____

I, _____, owner of or agent for the owner of, am requesting a Duplicate Certificate of Occupancy or a Letter of Pre-Existing Use for the listing below. I have a survey depicting all current structures on the property and the fee of \$150 per signed duplicate CO or LPEU. I understand that an inspection is required of the entire property and throughout all buildings and structures present on the property. Further, I understand that any building or structure found on the property that does not have an issued Certificate of Occupancy or Certificate of Compliance and found to have been constructed after 1965, may require building permits and is subject to building codes and zoning of the Town of Riverhead.

Smoke detectors and carbon monoxide detectors are invaluable life safety devices. The Town strongly advocates for the installation of these devices. The Residential Building Code of New York State requires that these alarms be installed whenever repairs or alterations are made to existing buildings, or for new additions. Please be aware inspections in connection with this application may result in requiring fire safety devices to be installed.
