Ernesto Rosini, P.E. Assistant Town Engineer

February 2019

Dear Residents,

PLEASE BE ADVISED EFFECTIVE IMMEDIATELY the collection of All Yard Waste & Paper Bagged Leaves is now limited to the days AS INDICATED ON THE ATTACHED RECYCLING SCHEDULE.

YARD WASTE & UNLIMITED PAPER BAGGED LEAVES WILL BE COLLECTED DURING THE WEEKS HIGHLIGHTED ON YOUR NORMALLY SCHEDULED BULK WASTE DAY.

THIS WILL BE A SEPARATE PICK UP, YARD WASTE AND LEAVES WILL NOT BE TAKEN WITH REGULAR GARBAGE.

Our Yard Waste Collection Guidelines remain in effect and are as follows:

****NO GRASS CLIPPINGS WILL BE COLLECTED****

UNLIMITED BAGS OF PAPER BAGGED LEAVES, BUNDLED BRANCHES OR CONTAINERS OF OTHER YARD/GARDEN DEBRIS (EXCLUDING GRASS CLIPPINGS) shall be collected on your highlighted scheduled Bulk day. Leaves must be bagged in paper lawn & leaf bags. Leaves may also be placed loose in pails for curbside pickup. Branches shall be bundled in four (4) ft or shorter lengths, not weighing more than 50lbs.

DO NOT USE PLASTIC BAGS, THEY WILL NOT BE COLLECTED.

We would also like to remind our residents of our town code concerning recycling:

Riverhead Town Code 273-8: Source separation of recyclable materials.

- A. Owners and occupiers of all properties within the district shall be required to source-separate recyclable materials from municipal solid waste. Recyclable materials shall not be commingled with other solid waste during collection, transportation or storage following collection.

We thank you in advance for your cooperation with these needed changes.

Sincerely,

Drew E. Dillingham

Drew Dillingham, P.E.
Town Engineer
